Mrs. Sharp and Mrs. Semple both died today. And neither pour the Tea. Harriet was down this eve. again. And Bert took her home. Sanky had heard of a – something and tried to sign peace terms. But, we we didn't "fondly embrace each other upon the neck". Ha! Ha! No sir! "As a man thinketh so is he". Sanky's a joke! But we haven't spoke yet.

MONDAY 20

S. came over from the P. O. with me and said if he was mad he wouldn't be here. But we were inclined to fight nevertheless. He said I said I wasn't mad if he wasn't. He said Geo. was washing dishes and waiting on table to work his way thru college. I said that was no disgrace. Far from it! And he said H. Lin. had paid Bert to take Harriet home last night. O Gee! I call that cowardly. Tut-Tut!

JANUARY

TUESDAY 21

Sophia & I went to town after school. Got our shoes fixed at Quick Shoe Repairing. Such a cute little fellow there. My! He's sweet. Je! He! "He's mine, I saw him first." Such eyes & such a smile. We went to the Home and saw "The Light of Western Stars." It was just great. Such pretty scenery.

(Hello Butch.)

WEDNESDAY 22

JANUARY

FRIDAY 31

Did the housework this morn. Then Filly & I went up to school. Read the questions. They weren't so awful hard. He didn't give us any encouragement or speeches. Darn! Filly & I were going to go to the B.B. game at Science Hill at 4:30 on account of the social. We got on the car and none of the other girls went and so we couldn't go with all the boys. We went into town monkeying around till 5:30 and came home. Saw Mr. William and he talked to me real pleasant. I think he's awfully ~~pleasant~~ nice if he'd only stay so. They never do tho! Went to the social and had a good time. Got candy. Pearl took me home to her place with Bunny & Norman. About 11 o'clock — and Norman came over with me.

FEBRUARY

SATURDAY 1

Cold!! Worst ever! I nearly froze to death selling sandwiches all day. Brr! Altogether, Mildred Willard & I had some fun. Went to C.P. stopped in at McCrone's on the way to give Pearl her watch. The "bunch" were in there. Howard say, "How'd you get along last night?" I said "Fine! but just how do you mean?" He wouldn't say. Then S. gave me the sweetest smile, but that was all, and looked out of his "in the old" way when I passed in my way home, but didn't — in the old way. And I'm having a time to keep from "fixing." Je! He!

FEBRUARY

SUNDAY 2

The folks went to town this P.M. and left Carl to home, as usual. We made candy, then along came Pearl Bunny & Norman. They were going for a walk and I made my "Kid brother" an excuse for not going along. But B. said he'd take care of him, so I went. We walked clear around the boulevard and nearly froze to death. Norm said "That walk was alright in the summertime but it's too cold in winter". Mr. Jones went to Boardman tonight, and League was at 7:30. Rather interesting lessons we're having now in our books, "The Christian Crusade for Democracy". Sankey inquired as to "my friend" when I got home. Guess I'm not telling.

MONDAY 3

We got a long talk on everything this morn. He wants to start (he's going to, in fact) a Parents-Teachers Association so that they can discuss school things and he hopes to get a community building made where we can go to keep out of mischief. And if the people won't it we might have a 1st class H.S. here next year. Etc. Sankey said he found out who my friend was and I hear George & Frank L. are both home. Heh! Sankey likes to mention "Skinny" to me. Lil' Ha! I went over to Moselle to a class meeting. We had "too doggone much fun" that's all. Merge, Ward & I took Delphia home. Coming home to Mel Hyne's Dad & me prowling around at this time of night. He said his excuse for being

Gotta letter from Uncle Charlie and one from Fred X.

FEBRUARY

TUESDAY 4

Pain! I've got such a frog in my throat today, I can hardly talk. And then imagine me trying to sing at Glee Club. Gee! I had an awful time squawking. Lucille said today that she liked N. better than B. Wonder why? And how's she know there. And every once in a while someone mentions something about my "fellow". Lil' Ha! Wish I had one — a nice one. More of my folks visited at the community meeting at the school tonight. I was mad at Dad. Finished "Allin it" today.

WEDNESDAY 5

Last night's meeting came out — well, it looks favorable toward having a community building. The 7th & 8th grades are to be over at the H.S. next yr. It's some new system that's coming all over the country. Almar Dentlow died of "flu" at N. York last Sat. Isn't it dreadful. Poor Almar!

down here so late was to see where I got home. Where I always get caught.

FEBRUARY

THURSDAY 6

Mr. Eleer talked for us all thru History class. I like to hear him talk. But every other word he says is "absolutely." Had a long talk with Miss Meyer after school on a Camp Fire name. Ge! It's hard to decide. I went to Kirs tonight, knotted quilts a little, then went up to Louis's to practise for Almar's funeral, tomorrow. Such sad doings. But we've got to plan for a surprise on Mr. Kimmel for Feb. 14. Maybe. And Mrs. Jones wants us to come up some night. — and, edme over from Hines with me. What's going to happen? He enquired when I was several night. Huh! I pretended I asked about Junky.

FRIDAY 7

I went to Almar's funeral this afternoon. It was a nice funeral. The singers were taken there in a cabs. Quite classy! Almar looked natural, and the flowers. Oh! Mr. Nichols gave a fine sermon. Then at the graveyard, a squad of about 8 soldier boys, shot three times, and the bugle was sounded. Oh, it was beautiful. Geo. L. was a pallbearer. Frank was there, too. He looks great, fine. Geo. acted so funny when I spoke to Frank, and I didn't know what to say to Geo, so I just kept quiet. Ge! I never know what to do. Shafer wanted me to go to a restaurant which begins to speak but I wouldn't go with him. Oh, I wish someone

Shafer called for me to go to church & to a restaurant. Oh my! I guess.

Shafer & Mrs. Mo. are home to stay for good.

FEBRUARY

SATURDAY 8

I nearly froze to death again, today, but otherwise everything was O.K. I went to the dentist, and he's he was going to kill me before he let me go, and I was ½ hr. late to work but none knew the difference. Shafer was in to see me. O, Gosey! Bert also came in to inquire about his wife. Ge! He! Ruth called S. out of Hines to talk to her, and he wouldn't be home after with me. I protested. Ge! she was mad! At me too, I spose. He: It wasn't my fault. And I made H.W.K. promise to stick by me and he did too. Thank goodness! And he bought Elsamae and a stick of candy in the bargain. Let Ha (Sin) die mad, wicked as he pleases.

SUNDAY 9

Mr. Miller, our district superintendent was here this morn and preached on "Tithing." I it was great! He's so lively, and a fine preacher. I feel that I'm "tithing" anyway. Mother staid home today, and I just played the piano most all afternoon. Went to League. Then up to Pres. church where Mr. Lyon spoke on remembrance of "Teddy Roosevelt." I didn't just like his sermon. He said "Inje" twoplen and put his hand on his stomach to mind. It was there but I guess he must of had a stomach ache. Marge let me use her car just at a convenient time for her to take it. I see! Still, he didn't stay long. I have a dickens of a toothache. Darn all dentists!!

(Mingle 4 —) was as liberal with his invitations rather than Shafer. I went to Y.P.S. tonight. 7:30 when I got in. And gave my opinion as to who I'd go riding with. I wish he'd manage his affairs better. Shafer wanted to know where my Sundays were. I wish he would stay in his own time.

FEBRUARY

MONDAY 10

Miss Moyer is sick again. I hope she gets back soon. Libby + Marge + I went up to Miss Bessie May Barrows this P.M. at 2 o'clock and took our first lesson in elocution. And oh! I love it! She took me first and — oh it's such a help to know how to say it. I wish I had started to take long before. We bought some more valentines and then went to the Strand and saw Charles Ray in "The Law of the North" and it was great! I like him. And we learned some things, too. Cute tricks for when we're in a crowd. He! He! We acted up dreadful all P.M. But ——— we had a circus anyway.

TUESDAY 11

Miss Moyer is back! Thank Goodness!! She doesn't look real good tho. We used our new microscope today. We examined flies heads, spider legs, hair etc. Ugh! Such stuff to look at just before dinner. We made posters for the Contest next Tues. night, tho. It's to be here at the School I guess. Dunno. We practised our pieces up stairs, too. I got a giggly spell. No the Club, Miss Moyer didn't feel real enough for it.

FEBRUARY

WEDNESDAY 12

I believe a party is in consideration for Friday eve. I hope so! Miss Kneal, Julie & I went up to Sophia's after supper. And oh! what fun! We played almost (and sung) all the pieces they had, then I sang like at the Hipp and tried to dance clog-dance, and then we made fudge. After that we had jello & delicious cake, more music and finally left for home at 11 o'clock. Big Skinny came home a little before we left then (of course he escorted Miss Kneal home) I missed something (er—a)

THURSDAY 13

We had a Senior meeting from 10:30 till 12 today. It was real interesting. We finally decided on our motto. It's "They shall not pass". We are to have another meeting Mon. to decide colors & flower. He's going to get some samples of colors. We're all in a flurry of excitement over the coming contest. The essays + stories will be given here at school tomorrow P.M. + judged and two taken from each to take part in the Tues. night contest. But all we readings have to do is Tues. night. We had Glee Club and singing in school too, and I sang Senior. Yahoo! I hear Bob Campbell is home. I got out all my valentines and looked them over. Some I've had since a little kid. They're so funny! (Bo the Smith's especially!

I wish I had the praise "out thru" that Sophia says Miss Kneal is getting today. I wonder why she prophesied such flowery personality. Sophia's kind of a sweet & sweet, I'd hope not! I don't want to be.

FEBRUARY

FRIDAY 14

We had the decisions of the Short Stories this morn and the essays this P.M. George, Marjorie & Molly were chosen for the Stories, and Lucile, Sophia and Shafer for the Essays. And Harold J. is to make his essay over into an oration. Oh, they were our all just fine. We had our Valentine party tonight. We each had to make a valentine and give it to whom ever name we got on a slip of paper. I got Bowes and gave him a verse to me. I hope he understands that I meant the rhyme. Spud gave me one. He worried over it so 'cause he couldn't make it that I pitied him. Molly had to make it for him. Poor lil!

SATURDAY 15

Another working day, over, and I'm not sorry. Shafer was about the only person in to see me today. Oh, where, where is that-etc." Cold as blizzard again. I went to the dentist and he wasn't in. I wasn't very sorry. After work I just missed the 6:15 car. Walked up street met Katherine Crandby and she took me over to Cunning and bought me my supper. Then it was too late for the 6:30 car. We went to the Arcade & got a Lima and then we came home & got there just in time to get the 7:30 car. Got home to find Shafer waiting with the lodge to take me to C.P. Oh! oh! I didn't go. I came with Luretha but with Mrs K. But — I wanted — to — see — but — — Darn! It's been just a whole long week now since I saw him. I'm so tired I'm sick.

said Spud waited & then I didn't let him. I would not have stopped him if he had wanted to. I don't think he did. I found out he was

Lunch 12:30.

Spud quit a few valentine a comed pen wet too. The rhyme about Bowes was good time comical. Molly

FEBRUARY

SUNDAY 16

Sophia told me something Mrs. G. said about me, and oh! I'm praying it's true and that she will have a nice opinion of me. I hope I can & everyone will have nice things to say about me.

Saw Bob, today going down street. He looks nice.

I signed a title pledge today. I'm glad I did. I hope I'll never break it. Sophia wanted me to come up this P.M. and I wanted to awful bad, but Mother wouldn't let me and said she "would not take the kid along, so I had to stay home. It made me mad, but I had to heed my anger. Lulu stopped in about 5:30 & stayed till 6:45. Shafer came over from church about 6:30 & sat in the machine and stood out in the road and flashed his flashlight for me every time he got that I said "No" I wanted to go "hot lead." And I wasn't going to Sergue." I didn't either. But there just nothing for church. So Shafer followed me down to the Baptist church and he asked me to go into the machine. I soon told him "No" and came home alone. Shafer & Ruth in the

Lunch 12:30.

Oh Mr. Rimmel at the church next night.

MONDAY 17

I got a letter from George this morn. I think he had clean forgotten I ever knew such a person as me. We had another classmeeting. Residers did nice as a flower, picked out our invitations, but I haven't my order yet. Betty & I went to more again this afternoon and took another lesson. Oh! why I'm going to have a little contest "mongst my pupils. Reading, spelling, 3 or 4 out. Mayer Miss Wilkens & K. will judge. I wish it was over with. I wish I had a nice piece. And Miss Barrows said Mange had an unfeedinent. Lilly & I went to the Liberty & saw "The Greatest Thing in Life". Of course it was "love." Lillian said it was leading lady and oh! but she's dear. And the picture was wonderful! A war love drama. One of D. W. Griffith's. Saw him & spoke to him pleasantly. Asked him to take us to the show but he wouldn't. I spose he'll never take me again.

Lunch 12:30.

Sophia's mind for a surprise party

Peg, Marge, Baity, Betty & I were the ones selected this morning for preliminary

FEBRUARY

TUESDAY 18

The eventful night of the contest is over! Hip! Hip! Hurrah! What a relief! I know you're anxious to hear the results, aren't you? Peg first, Baity second on readings. Molly first on stories. Gs. was sick and couldn't be there. I think I did fairly well first if I'd been there. Harold first on essay. He is sure was after all & so Silvia second. I guess it's all over. Course I'm not satisfied. I wanted Betty to get something and Mother says she should have had first absolutely! Oh! We sang my songs. I have went pretty good. Huge waves of very big crowd there. I wonder how much we made? I got the congratulations which helps to make me feel that — well they were able to stand it anyway. And even Mother said I did better than she expected. Di messages to praise me.

WEDNESDAY 19

We're all sleepy today. It was 11:15 before the thing was over last night & thank Goodness it only occurs once a year. I got some congratulations. It's nice to get them. Even B. gave me one. And Miss Moyer told us she was proud of her Glee Club. We made about $6:90 not counting considering expenses. We have Examin History Friday and I'm cramming. We have a little snow now. Wish we had skating. Mother got me the prettiest blue muddy for speaking. Oh!

FEBRUARY

THURSDAY 20

It's pretty posty. I guess there wasn't anything worth mentioning happened today. I got some more congratulations. If they don't hush up the fire going to make me feel "puffed up". They all says I should have got 2nd. I said I'd asked why I didn't get 2nd. I said 'Cause I didn't deserve it. I said. But he says I did. Then Miss Wells said the same thing. I wonder what she told the teachers. She sure makes you puffed up. I wrote Miss Lackey a letter.

FRIDAY 21

O, my dear little diary, I have great news to tell you! Oh! Oh! I don't have to take History Exam. Can you realize it? I can't. But she told me and it must be so. She said those whose grades had been averaged up to 90% had been much better the last month, and our note-books were so good that we got exempted. Oh! I'd like to squeeze Gerguard. All we girls are exempt. Hurrah! The boys are playing Austin tonight. Shafer was going to take a load but none of us girls would go. I think the best place for us is at home. Oh? What do you think? Guess we'd get rested up for tomorrow night.

It went to the P.O. mysteriously and took the nerve to ask Irvin to take us to town. It will be Wednesday, course Mackenbrit thinks he's funny. Of course I'm indifferent.

got a letter from Uncle Charlie. He don't expect to get home for 4 months.

went to the dentist & he wasn't in again. I think he's skipped the country.

FEBRUARY

SATURDAY 22

Holiday. went J.K. Spiker invited me, now and she isn't too "nice" to help me out every once in a while. Saw Helen R. to speak to her today, went up to Mitchiam and ate at Lua's big table after I missed my bus. It stormed about 7:20 P.M. thunder & lightning & windy. We had the party nevertheless, and a grand good time. Mr. K. was surprised good. We had a fine lunch, sandwiches, cake, pickles, coffee and icecream. In fact it was so good I'm sick. Ugh! Got home at 12:30. We played games and had just a fine time. Mr. Kimmel was quite a handsome stranger.

SUNDAY 23

Cold! I was going up to Sophia's this P.M. but Helen didn't come (she was going up to) and so didn't go. I guess she decided not to go up there. Lankey informed me he & John got canned at McK'd. I'm sorry they coming in to see me every P.M. Maybe I'll get canned next. Pearl said Leonard S. wouldn't go with me any more cause of that one Sun. She said she heard it from Dan. Huh! Isn't true anyway. But, I do wonder what he thought about it. Mr. J. B. Carver, Mr. Jones and Mr. Kimmel all gave talks on the Centenary of Methodism. Church lasted till 9:30. I'm mad at the way some people act. I wish I knew how to act sometimes!!

were very busy in store about a.m. 3 sold more than 1 hat today. I'm a good salesman, I guess.

it was nice! And I had a good appetite.

eyes like Theda Bara when I ate my cake and made his heart go pitty pat. O my! Too bad!

Got a letter from George. Gee! He's good at answering right away.

FEBRUARY

MONDAY 24

Had a vacation this morning since History Exam came then. I worked pretty good all morning. Went to school this P.M. in fine spirits and almost finished my outline of Hamlet. I told Miss Moyer I thought it was a mistake that I got out of his Exam. She said it wasn't. The questions weren't very easy, either. I wanted to go up to see Mary Pickford in "Johanna Enlists" but Mother didn't feel good so I staid home.

TUESDAY 25

Rain again which turned into snow this eve. J. R. isn't here & Miss M. won't tell us where he is. She says he's not sick. Huh! We started Civics today. It sounds kinda interesting. Sophia & I played hookey from Glee Club and went to town and saw Mary Pickford in "Johanna Enlists." It was good. She's real cute. Not as cute as Lillian Gish, though. I hope Miss M. won't be angry for us missing Glee Club. It's about the third time I've done that. ~~Sophia~~

Sophia told me something about a rank which I didn't think of since then. each day I find out something which leaves me in a state of uncertainty. I hope I will prove one of the "boys."

Scruth beat 88-17. We went up to Liddle's for supper. Q my! Too bad!

FEBRUARY

WEDNESDAY 26

Johnny's back! I guess he went to his father's sale. Chris is worse than Hit, I believe. I can't answer anything she asks me. — Listen! I went to the Rangers-South B.B. Game tonight. Honest I did. Finlie & I went with Mary Liddle. She took us in her rather. Frank did in the machine. Mother wouldn't let me go in the machine unless Mrs. L. did, and I felt like a fool when I told her that. I hope they weren't offended. Mrs. L. didn't go to the game. Only students were allowed in, tho' there were lots of them.

THURSDAY 27

The birds are singing so happy this morn. I'm happy too, but somehow I can't sing all the time like they do. I wish I could. O, we had our first Campfire meeting, and it's great. Hope I make a good true follower of the C.F. Law. She gave us little buttons with the Fire on and "Fire Seize." I can't quite decide on my name. It isn't an easy task. She asked me to be Dec. For the time being. We can start working for Honors tonight and I did by washing dishes.

The Focks went to Dore tonight.

I started winning honors today for C. Fire Making by reading the Bible, drinking cold water — etc.

FEBRUARY

FRIDAY 28

O, this has been one beautiful day. Just as "springy" as can be. Tilly and I went up to Finlay's after school and played with the kids. They're awful cute. The H. School Preliminaries were tonight. They were good. Carl spoke for the first time before the public. Frank T. & Fine had two girls there, I mean! Ina & Belle & Chester. And — etc. We had another storm tonight.

MARCH

SATURDAY 1

March sure came in like a lion. Brrrr! I saw almost everyone I knew in the store, today. Winkie said on the car tonight that he, he and me (himself & myself) were to be married Easter. Huh! I hadn't had a word to say about it. And I'm mad now, too. Cause some people hide every time — I will! Manda Carpenter died last evening, is to be buried Monday.

MARCH

SUNDAY 2

I'm getting awful bad lately. I never get to S.S. Harriet wanted me to go up to her place this P.M. but in a kind of way I didn't want to. And didn't. Then I went up to Workman's to practise for a little tableau for the League, but Lulu came down with her Cousin so we translated all P.M. League was instead of church again. Not many there. The choir is going up to Mrs. Jones next Sat. eve. Goody! I read that Rosen was defeated last eve. in the final game for championship. Too bad!

MONDAY 3

Another beautiful day! We started into Gen. Geography today. I hardly think I'll like it, tho I'm going to try to. Got a short letter from Geo. Marge & I sing tenor when the school practice, and it's hard. I don't like it. We played "tucker on the rock" today. I pressed a coat & dress tonight after school, therefore winning a bead. I read the first installment of Red & Black by Grace Richmond in the Ladies Home Journal. Another Red Pepper Burns story. I'll get it & like all her books.

A Cardinal woke me this morn singing "What cheer! What cheer!"

MARCH

TUESDAY 4

We've almost got the Spring fever, some have it, I guess. We play games at noon now: Prisoner's Base and it's a circus. Got a letter from Ceil this morn. He's in Sharon, now. We had Glee Club, and then Miss M. played for us, that is those who had her start to play & stole back upstairs. She's so modest! But, oh how she can play! I never knew she could play so. It makes me so sorry that I didn't practise harder when I had the chance.

WEDNESDAY 5

Rain all day which eventually turned into snow, and now the ground's white. Such weather! Gen. Geog. isn't so awful bad. We got out Reports, 90 in Civics, 91 in C. R. 93 in Eng. & in Music. 90 in Lit. 94 in Conduct. It all could be better. I washed my hair tonight, put Danderine on it, and clipped a lot off. I almost wish it was bobbed.

MARCH

THURSDAY 6

Snowy! Mr. S. gave us a very strong talk in C.B. Hour! We had another C. Hire meeting. O! it's great! I think I've decided on my name now. Either Cecelia or Nashkayace. I can't decide which is prettiest. Bettle mean "to be a little better each day." I like that meaning and I'll be I can live up to it. Now for a symbol.

FRIDAY 7

A little nicer out today. We Seniors read plays all morn. No lessons at all. Such as time trying to decide on a play. We decided to send for some more. Carl is sick today. Just another of his indigestion spells. Poor little soul! Finks were so good as to take me to N. Lima to the Contest. I was invited to go with Guy, the Bro — huh! A lot of the boys were there & Bowse w/ Marge, Ruth W. Ruth S. & Lanky. The Contest was fine. Peggy didn't get nutsing? I'm so sorry. Science Hill got first, ~~Canfield and~~ Ashtabula 2nd and Austintown 3rd.

(Never the judge, O! I'd judge right, with the world behind me.)

Spud got 2nd on his Essay last eve. Good for Spud!

MARCH

SATURDAY 8

Hardly anyone was in to see me today. Not even Lafe! Guy came in and talked a long time, but he's so indefinite! I was in to the New ~~Troy~~ St. Market tonight. O, it's just wonderful! So pretty & clean & nice. Carl is just about the same today. It rained again tonight, but nevertheless I went up to Jones'. And such a nice time! We kissed the Blarney Stone — and everything. And such a lunch! Salad & radish, & cocoa, & cake & orange with banana & cherry sick & peanuts. It was fine! Then Mrs. J. played for us. And — words can't express it! The rain was awful coming home, I'm wet.

SUNDAY 9

Cold today again! Managed to get to church. Carl isn't so feverish today, but oh! he's cross! A person can hardly breathe without his scolding. In church tonight the choir consisted of Gerald, Marge, Mr. Workman, Mr. Kimmel & I. Marge & I were scared stiff singing the anthem. After church — Providence always provides for me & I never satisfied. It just happened that Gerald came down with me, and at the Hardware was — & this evening. It's the! I don't care — er — maybe! But, I won't get over the time he [illegible]!

MARCH

MONDAY 10

Springagain! Molly came to school today but had to go home this P.M. when she heard John G. was not expected to live. He has pneumonia. Carl is decidedly better today. He stole some sausage out of the cupboard while no one was around. He's a bad one. I got my Book of One Hundred & One Best Poems today. The ice cream store has been opened up again. Boy John Dunlap I forget his name. He was the guy that bunted it first ball.

TUESDAY 11

Carl is up & around all day. But, Oh! how grouchy! Every time any one speaks to him (nearly) he begins to bawl. And he's so itchy! Still he hasn't the "chicken pockets" as he calls them, or he's broken out. Oh, he's a puzzle. We tested milk bottles & coffee, today. I got the Camp-Fire Music, too. The songs are real cute. Glee Club tonight and Miss M. played some more for us. She played the "Prince I love" & "a true love". Its Normal Band marches something: I'm going to get it if its at all possible.

MARCH

WEDNESDAY 12

Sore throat & headache.

Ooh! I'm sick! I've fought all day to stay well, but I'm getting more light headed every minute. I thot the day would never go past.

Hum!

Then Dad came home sick too. We both got sick at the same time. Poor mother. It's a wonder she isn't sick.

THURSDAY 13

I layed up in Carl's bed and read all day. The day wasn't so long after all. I read my last year's diary. It's sorta interesting. Then I started Michael O'Halloran. Dad slept down on the couch all night & all day. I came down in the evening.

My throat's so sore I can hardly speak. I'm hoping to be up tomorrow. I'm laying up today. Mother is sick too.

MARCH

FRIDAY 14

I determined to dress this morn, and did! Got my own breakfast, and cleaned up a little. My throat is still sore & swelled. Seems tho I can't get water swallowed. I can swallow most anything easier than a fluid. Serve the tonsils! Lulu brought my books home and my! I'll be studying from now till Dennis day to get caught up. I guess. Also got a note from Leo.

SATURDAY 15

My throat is not so sore but still all filled up. Mother makes fun of me talking so funny. I can't help it! — 9:30 P.M. See! I'm alright, now. I feel like cutting up for making up for lost time. Lulu was down and brought me the swellest big piece of cake. I intended to study this all day but I have only read about 3 paragraphs of Eng. & about "Oz graduating". I'm not far gone. Mother went to town & got me "Pilgrims Progress" and guess — what I did!! I made 4 omelets for supper!! Honest I did! They were good too tho. The first one I didn't mix right and the "white" wouldn't beat up. They tasted all right tho: and I went to the store about 7:30, too. It's great to get out again.

Dad went to work that P.M.

MARCH

SUNDAY 16

10:30 a.m.

O, last night I had the grandest feeling! Just as if I wanted to thank and thank and thank everybody for everything. Nothing worried me at all. I feel the same today, happy as the birds who woke me. O the birds are so sweet. I wish I knew them all by their calls. — It's just pouring rain, so I didn't go to church. Daddy got the mistletoe on a draw last night. When it strikes it just sounds like a church bell. I went to church tonight. Had to sing soprano against two altos. I didn't sing very loud tho. Didn't have a chance anyway. Adelbert came over with me and we nearly split laughing. He's so funny. I found out who lies "nuts" over.

MONDAY 17

Such 'biffle' weather! And I heard the frogs, tonight, too. It's Spring, I do believe! We Seniors read plays all morning again, and finally decided on "Sergeant Jim of the U.S. Marines." The Juniors are planning something. Wonder what it is? Molly's back, again.

MARCH

TUESDAY 18

I got two letters, today. One from Cecil and one from George. I didn't feel quite written to me, but course he made the funny excuse and — wrote a very interesting letter. After Glee Club Miss M. kept we Senior girls and said she wanted us for a quartette! Gee! Minnie was in this ev. asked me to go to a serial at her church Thurs. eve. But Mother won't let me! I went to class meeting at Mrs. Cover's. That is after I went to Pearl to entertain Bunny about an hour. Met Marge Yost. Wire

WEDNESDAY 19

going to have a social ~~supper~~ supper & social Did have lots rather to study birds than lessons. We had a class meeting and decided on our colors. Brown and Green. It would have been fun but he couldn't get any of that. Then he told us to select who we thought best for the characters of the play. Then did see how it compared with Mrs. Wed did, and he said there were only a few differences. But he didn't change any. And Lib Peter's divah! Ze! He!

I didn't go with Minnie tonight. I just didn't want to, so I didn't even ask Mother.

MARCH

THURSDAY 20

O, what a nice day! Molly & I went on a bird hunt after school but couldn't see anything but sing-sparrows. But Sept Thurs. Morn. Miss M. is going to take the Camp Fire Girls out for a breakfast in the woods & then a bird hunt, back to school at 10 o'clock. Whee! The birds sang so pretty today, I could hardly study. Peg went home at noon. She had a bad cold & could hardly talk out loud.

FRIDAY 21

The main event of today was a box social at the U. School. I didn't take a box, tho I wish now I had. It was ~~exciting~~ exciting the bidding & I think if I did tot a box I might have got, well — several fellows inquired! Especially Jo. O, Gee! He got Marge's then he wanted Bruce & I to eat with them. Huh! Course I wouldn't do it. I like to know who would. O, I wish I did tot a box. Ze! He!

MARCH

SATURDAY 22

Another cold & tiresome day. I'm but I'm tired. I got a new hat today. I'm satisfied with it $3.95. Everything up town is "Mickey!" Mabel Normand is to be ~~in town~~ at the Dome next week in "Mickey." and every store in town has Mickey something: Mickey hats, Mickey coffee, Mickey shampoos, Mickey Sundaes & lord knows what else! I went to C. G. and got to yelling mad at Prez.

SUNDAY 23

Managed to get to S.S. late. After church tonight Eleanore & I took Harriet partway home. And I'm afraid I insulted Peteah. I'll have to apologize tomorrow if I have nerve enough.

MARCH

MONDAY 24

I didn't apologize, and I feel so funny when I come face to face with him. Oh, my!

We read our play over today. Harold H. said Sankey wasn't going to take his part. I wonder why? He did, tho: Greta invited all the girls in the school & incl. S.S. class up to her place tonight. She going to move next Thurs. We had one grand time. Played all sorts of funny games. Stayed till 11 o'clock. And Sophia stayed with me all night. We talked till about 2 A.M. when we went to sleep. She told me lots of things.

TUESDAY 25

Oh, this has been one fine day, again. We practised our play this A.M. & P.M. Sankey is just great. I don't think I can do my part as good. We practised the first act. The Club as usual and we made plans for Thurs. morning's hike. If only it don't rain. Lilly & I had a cake after school that Marge gave us. Gee! it was good.

MARCH

WEDNESDAY 26

Worse as can be today! Practised the play again. Made blunders too. Tomorrow work. Don't if don't rain now. It's been cloudy all day. This is Aretha's last day. I'm sorry! I like her better above day. This was one of my dumb days. Everything I did asked (really) I said "Huh?"

THURSDAY 27

Hororo! This morn, — er — a — it was pouring rain when I woke up. "Of course I was sort of expecting it but oh! twas a terrible shock." It really wasn't such a shock tho'. At noon it started to snow + has not quit yet. The boys made fun of us, tho' I guess we'll wait till we're sure of summer. We practised on the stage today. Haven't got better.

MARCH

FRIDAY 28

Cold! Oh! The wind nearly blows one away. Test in Gen. Geog. and on Hamlet. O, I pity them when they look over my papers. I went to C.P. and to a E.S. business meeting and social combined. There were about 12 there. O, such a church for crowds. I got 3 cups of cocoa, anyway. I don't know what ails me tonight but I just can't keep from "pining." I don't ~~I'd~~ get

SATURDAY 29

I had a new experience today. Working at the "Grill." Dem job. I was awful dumb. I sorta' liked it tho'. Only I was busy every minute and aint just aching all over tonight. Dis-satisfied. Went to C.P. The clocks are to be turned on 1 hour tonight.

Dumb, but when I meet the + — — ah! that it went "work hurts."

MARCH

SUNDAY 30

Pretty cool, yet. Three people got to church when we were singing the last song because of the "new time". We girls were over at Mosley's this P.M. planning for the social. I hope we can do all the things we have planned. League was very interesting tonight. It was about kindliness. Henrietta had the guess who took her home last ev. I guessed right the first time. — O, I'm all deserted.

MONDAY 31

O, but it's cold! The wind blows you nearly away. We had a class meeting this morn and nearly had a fight over ~~who should~~ whether we'd have ring or pins. Gee! Peg makes me mad! We went up to Mrs. Cover's tonight and made candy. O, it was great. Yum! Yum!

APRIL

TUESDAY 1

It's over! The social! O but I'm glad! We made $20 all but a few cents. I hope everyone enjoyed it. There was quite a crowd there. We played all sorts of games, races, etc. And — Norman was there and Bunny asked me to go for a ride with them. I refused after a long talk with Pearl. I chose they'll both think me — old I don't know what but anyway I can't help it. I'm sorry I didn't want to go a ride. O, shoot! Somebody always starts trouble.

WEDNESDAY 2

In Biology we tested the capacity of our lungs by blowing air out of a bottle. It's kinda fun. We practised the second act of the play. It's funny! Pete doesn't think so tho, I guess. (Wish he did!) We're going to give it in Cortville May 2. We think. And — the boys are coming home. The parade of the 37th is tomorrow. Uncle Frank's company arrives in town at 7 tomorrow. O, "ain't it a grand & glorious feeling?" They parade tomorrow and then go to camp Sherman to be discharged. Hurrah!

I've started down with me and — for I'm by I've gone not once I up and told him I didn't want him and he really left me and

This — whatever it is between himself and me is getting awful. I can't stand it much longer. What shall I do? I even dream about it.

I wish I could walk with the King. He's nice. I wish I was interested.

was fine! The boys will be home for good in about a week.

APRIL

THURSDAY 3

I went to the parade and saw Virginia Martin as "Jane Grass a-waving." It was wonderfully thrilling day! The boys of the 37th paraded. Whole regiment had leave to come home to stay all night last night, and I went down to see him. He's the same old fellow. No mustache, tho. And Oh! I would love to hear him talk. I could sit & listen forever. I saw Oscar D. Chad J. & Bob W. in the parade today, but didn't see Brandon J. The parade was great. It first thrilled me thro & thro. I was with Pearl & she met Bunny there.

FRIDAY 4

It's getting warm again. We had Arbor Day exercises today. Just read a few things. We got word this noon that we "The Glee Club" were to sing at the County Declamatory Contest tonight at Boardman. Chum! Only one practice. I slipped Ruth in the store tonight & asked her if we could — (we were talking about the electric lights being off) & right away she said "I always act before I think." We went to Boardman & sang & sang. My! I'll bet they were sick of us. I didn't think we sang very good either. We went in Ruth's new Lizzie. Oh Lord!

Muriel Mikes & Fred Miller got prizes!

The boys of the 332nd are expected to land next Tuesday.

APRIL

SATURDAY 5

I was here, there and everywhere in the store today. The girl I helped out last was dreadful! Ugh! I'm thankful I only work Fri & Saturday. I heard we (Pland) got two pennants at the Spelling Contest too. Hurrah! At C.P. I got the grumps. When Marge & I came out we passed a "bunch". B. tho't he came down with me but soon changed his mind. S. was there too — But I guess Hilda was his object in coming there. Oh, I feel like a snobbish.

SUNDAY 6

I got to church too late to go in the choir this noon and everyone just stared at me when I walked in & sat down in the audience. Shoot! — I went up to Harriet K.'s this P.M. They have a nice house on Elm St. Brownlee Woods. Gee! I wish we had one like that! We took a walk all around Brownlee's. My! That's a big place. E.S. & I place of church tonight. I heard that 'Lie' went home with Harriet K. Tuesday night. Why! he's getting smart. I wonder what ails him?

APRIL

MONDAY 7

O, this has been another "wonderful" day! warmest day this spring I believe. Mr. Gill's barn burned to the ground today. — Dad gave me $5 tonight. I don't know what ailed him. Mother asked him if he'd been drinking.

TUESDAY 8

warm! Tried to rain but changed its mind. Mr. J. R. got an indoor baseball for the girls. We planning on a hike Thursday now. Will try our luck again. We had our pictures taken today. Ahem! My! I'm anxious to see them. I started to deliver milk this evening again, and it got back "Memories" O, this will be the death of me yet.

We girls are getting quite professional base ball players. I think two orets in succession from inside, Chris Sigourney.

APRIL

WEDNESDAY 9

We had Glee Club and ~~fo~~ then I came home and house cleaned after supper. Miss M. got a dress for me for my Alinah part. My, it's cute and flashy!

THURSDAY 10

"The Gods are against us!" It stormed dreadful last night. I don't believe I slept a whole hour until after 3 o'clock this morn. Hazel didn't sleep sound. I don't know what was wrong. I just couldn't sleep. ~~The~~ ~~Ar~~ ring pinagent came today and — we got a ring from him. He ordered them. He was Ralph E. Miller by name and — ole — real — rich! Molly wasn't here so Bowse took us all out in his Lizzie to ~~see~~ her house to see if she approved of the ring. She did. We had a lesson all morn. The rings were $6.25. But I guess we going to take our money from the play to pay for them as much as possible.

The soldiers are home for good now. Uncle Frank was up this evening.

APRIL

FRIDAY 11

Rain this morn. We got our pictures this morn. They're just great! We had a test in Civics and I got 94. Just as high as Margaret. That's what she got. Guess what I did after school! Made a cake! Honest! It was good, too. Course mother had to tell me every move to make but I'll learn. Went to C. P. for once on Fri night.

SATURDAY 12

I was so lucky as to beat the candy counter with Irene all day. Till about 5 o'clock then I went up to Pete's counter and she gave me a hot ham-burg sandwich. But I believe it had garlic in it. Oh! — Isabel M. was up to get a coat hoops, and is to come back in two or three weeks. — Went to C. P. Rinde late. Wish I knew how to behave. And I wish I had I knew his place too. Heard a new song. "I'll say she does." Gee! It's cute.

APRIL

SUNDAY 13

Palm Sunday. The Sundays go so fast for me. It was 4 o'clock before I got my dishes & etc. done. Marge & I went up to 7 first Christian church tonight to hear the 65 voice choir sing "Gounod's Redemption's Song." It was wonderful! It was the first time I was ever in a church in town. It surely thrilled you to hear all that music. Waiting for a car we saw a man soldier lower the flag on the square and make a man kiss it. The man had lost his leg.

MONDAY 14

We lectures on an awful lot lately. That's all he did in C. Biology. It makes me feel as tho I'm worth nothing at all. O, I wish I was. I wish I had some aim, something to work for.

APRIL

TUESDAY 15

Mildred M. was at school today. We had a test in Gen. Geog. today and those not getting 75 % have to take another tomorrow with a higher percent to get. I don't know how I'll come out in it. He said there was plenty of ~~work~~ work to be done if they cared to do schoolwork. He gave us an awful test in Biology. All 7 questions were "think" questions. Mr. Elder came & talked about a new thing that's started now. Our "Achievement Course" which will give us an extra credit.

Nellie's brother John was operated on this A.M. for appendicitis. Sorry!

APRIL

THURSDAY 17

Mr. S. is not here today nor will be for a while. His brother is being operated on and he is there with him. ~~He came in after~~ He! It is dull I'll admit without him. Olga was here this morn. We had a Camp Fire meeting tonight and oh! I've got a symbol!! And it's so sweet as can be. It's a pansy, cause they do "be a little better each day." I'm in love with it.

FRIDAY 18

All tests today! Miss M. gave all her classes a test. Civics! I didn't study hardly a thing she gave us. Mary L. & Marion Stein were here this P.M. We practised the 4th act for the first time. It's funny! But I'm wondering if Pete will obey me. He! He! I hardly think so. After about an hour's work Miss M. and I succeeded in getting off the order for the invitations. Such worries!! Went to C. P.

APRIL

SATURDAY 19

Sold & ate candy all day. Bo't some (3) gold fish today and had an awful time getting them home. Went to last practice of cantata. O, now for the grand event tomorrow night. Tomorrow's going to be a busy day. Sunrise meeting at 6:45 & S.S. at 9:45 — Church and Alin Clark is to preach — then lastly but not leastly the cantata.

SUNDAY 20

I was up at Geo. Clark's this morn, and went to Sunrise prayer-meeting. And was to Sunday School on time. Alin Clark's the same man. Like Marge said "The more I look at him the better I like him". He gave a very interesting talk on his experience "over there". And the blessed cantata is over. O it's a relief! It went pretty good I'm sure, I'm in the choir.

APRIL

MONDAY 21

Nice day! Mr. S. is back, tho' he should'nt be. His brother is very low. It's a shame! We discussed our test questions in Biology. Such questions! "Could you believe anything if you wished?" I say "no." "Are you your own master?" I like to argue on that first one.

TUESDAY 22

Mr. S's brother is better today. We planned for a Box Social given by we Seniors next Tuesday night at the school. Mr. S. says we must have money therefore . I hope we can make a success of it. And we going to get the stage all fixed & have a dress rehearsal Thursday. O, My! Glee Club again & then we Seniors Girls practised a cute quartette. "Animal Crackers"! Tonight we had an Epworth League Circuit meeting. They had a picture show which was quite cute. Refreshments were ice-cream sandwiches, and I had my old job back again. Hamet was down and I came home about 11 o'clock. I have my tho's to bed pretty & better not write them down. Only the one big question is "Why?" I can't understand it. I'm sure I'm not the first girl to find this out. Only I'm sure I'm not the first girl to find this out. Only I'm sure I'm not the first girl to find this out. Only

APRIL

APRIL

TUESDAY 29

Mr. Oliver, the state inspector came today. And he isn't such a dreadful thing as I supposed an inspector'd be at all. He was awfully nice and — funny! He talked to us about the League of Nations all the Civics class. This day we had our Box Social, and I — as the Treasurer of my class, am now the proud possessor of $30.15. Aren't we proud? We sang we're ~~_____~~ our rings. Anyway, Jim Wade had better want to know who got my box!

WEDNESDAY 30

The day after the night before went off. The teachers were very lenient. Our invitations came this morn. They're nice! We went over to Grade School this P.M. again, and had a circus on the swing & teter-totters. And then we raced for — well just to see if we could get in to enter for Field Meet which is May 9.

Carl Clone kept from school tonight crying worse than I ever heard Irie cry and said the strain had "put him out" of the operetta. Poor kid! It's the first school sorrow

They're better shaper (he got fleas) or Earl & I

Well, girls sophs & I had our Party and — Chuck B. & Jim Stewart — and I was pretty glad.

I invited the parlor after school.

Dad says Carl Rogers was in town yesterday. He's been "over there"!

MAY

THURSDAY 1

Rain all day again! I sent for my name cards today. John Good was taken to the hospital today. Poor kid! And Elsie M. said she saw the ambulance (it must have been the one he was in) going toward Jeffs town with one wheel smashed. I wonder if they could have been in an accident. Poor Molly! I just heard today that Leona Dixon was awful sick. We went down and she was pretty sick.

FRIDAY 2

Our play is to be given here the 13th May and maybe in Science Hill sometime next week. I made some fondant, tonight. It was too sweet but tasted pretty good.

Dream: 3.— "the moon would change to a full zero & I walk up street with you, wouldn't it?" He started up with me and just then I woke up — Darn!!!

MAY

A wonderful day! Too nice to express! Harriet K. came down this P.M. and we went out in the woods. Got blue-bells; white, yellow, & blue violets; squirrel's corn; wild sweet-williams; bloodroot, and others. It was so warm tramping but lovely enjoyed it. O, I'm thankful I live out here in the fresh air! I played for Mrs. Andrew in church. I sketched a lot of primulapes. And then she wanted me to sing. Sure I did. They may do it to encourage me. O, I will take lessons. I can play decent.

I went to C. S. for about a half hour then went in to see Aunt Ed & Rolo Fitzwater, Ed Bradley, etc. are home, I hear.

I was down to see Leona. She was worse last night again. Poor kid! Poor Molly! She looks tired.

Worse last night again.

make a fool of myself, even when I know better.

MAY

MONDAY 5

We practised play the more part 10:30 on, and went over to the Grade School this P.M. Molly wasn't there. Mrs. S. said just the boys had to take Gen. Georg. Frank. Hughie exempted Bowse. But I don't see how I get out of it, and I don't think it's straight dealing. I went to town & he sat with me and jumped college into me all the way up, and on the way home started that jumped the same thing into me. O, I wish I never go.

TUESDAY 6

Carl & I picked a mammoth big bunch of violets, and took them to Florence & stayed for supper down there. Then I went to the Japanese Sensation. It was just great! I only hope our play is as much a success. And after — O, dear! I guess I'm satisfied. But, I almost had a swell new fellow. I think Harris drag my time. Still I don't know yet what happened exactly well M. I even had to ask B. to bring me home. We wonder if he wanted to, I must get two personal lives — But, I wish — etc.

"How well I was snuggled over when he kiss Florence today!!" Alice Salvage

Gen. wrote a friend B. but White (Frank?) wrote Mrs. B. but is taking Vocal lessons.

MAY

WEDNESDAY 7

Ben, Hue, & Billie Stewart came home today. I saw Kate & shook hands with Bradley today. Our rings haven't come yet. I don't understand it. They were due yesterday. Miss M. read out a fine story this P.M. "A Ship's Tale" by Mark Twain I, it was wonderful. We practised running after school. I guess Marge & Mary & Hetty & I are going to run Field Meet (Friday)

THURSDAY 8

We practised play from 10:30 A.M. to 9:30 P.M. That is with intervals for meals. It's sir! And Mr. Sickinger says he's real pleased with it. Sankey & I blacked up "tonight. It's an awful mess. We practised running again too. I never can get started. They said Marge had over the first ~~run~~, so we gave the 50 yd. & maybe Molly will run the 100 yd. But — I don't if anyone will run if it keeps up raining like it is now. It never fails to rain on Field Meet. I went to town after school to get my muffles which had been fixed. Five,

I wished on all my dresses now I guess. I hope so, anyway I'd like to get sick if my mind.

In a fare I'll make a fool of myself.

MAY

FRIDAY 9

Of course! Naturally! Rain! And so Field Meet! It was postponed till tomorrow. But it's raining yet, and I doubt if it'll stop by tomorrow. If it did any good I'd say Jaw! I found enough to do all day. Washing dishes, making beds, writing letter, addressing invitations, studying, etc.

SATURDAY 10

Rain! Rain! Postponed till next Saturday. Gee! — I went to work and — didn't feel specially good all day. Girl I went back to Rita. She's a dear! A girl in the store said the paper said it would rain for 10 days & then for a flood. Ge! Let's hope not. I didn't go to Choir Practise.

the week is an evil sign.

Hill Thursday eve. & I hope we make a success of it.

Kenky. & Bowse & my name was given in the paper today as taking part in the "Military drama" given by the P.H.S. I wonder who put that in the paper. I'll blame it on "Johnny"!

MAY

SUNDAY 11

It hasn't rained any today only misted a little this morn. The moon is peeking from behind the clouds this evening. I made some sea foam this P.M. The first I ever made. It was pretty good. At League Mrs. Hippitt insisted on my playing. I did — about 3 pieces, then refused to play any more. And didn't. I feel awful! Sept Sun. eve is back to school! Went down to see Lorice.

I tear we'll give our play at Science Hill

MONDAY 12

Today has been a better day as to things coming my way. First thing I got my sleeve and it was fixed. Then I got some invitations sent & the rest ready to send. Then I got my pattern I'd been waiting for — and a long invite to the Banquet! Gracious why I should take as a friend? We practised play from noon till — will tonight till 11:30. I think I'm getting letter and — we're going to give it at Science Hill Thurs. night and — we're to the entertainment to a party given by the Freshies next Wed. night. Those dear Freshies!

goose egg (Empty) with a ribbon round it. Real Cute.)

MAY

TUESDAY 13

Mrs. D. excused us at 2 o'clock to go home and get some sleep & prepare for tonight. Well—it's over! If what people say is true I guess there were quite a few pleased with it. Yes! I'm so! But it needed so much prompting and they got so mixed up. But I'm so tickled it's over. I'm not worrying about it at Science Hill Thurs. eve. I'm sure it will go better.

Overlead 37.49

WEDNESDAY 14

Those dear previous freshies! We had a lively game of baseball today. Only Miss M. got a dreadful hit in the ankle. But, such fun! I went to town again for stuff for my dress. Met Corinne! Ben & Hal are alone. I've seen them both, they look great! ~~The~~ The party was great too. We had a lot of fun! We untangled strings and I got a balloon at the end of my string. The lunch was jelly, lemonade, cake, sandwiches! Howard got first prize for the best girl's costume. It was a little plaything. Then they presented me with the boy's prize, saying

I had worked so hard, that they didn't deserve it. I secured it by entangling that string. The prize was a

Mr. Dickinson's brother came home from overseas tonight. I'd like to see him.

MAY

4:45 P.M.

THURSDAY 15

O! wow! We Seniors went to Science Hill this P.M. to get the stage ready. Mollie & Hugh & I went in Bowser's machine, & the others went in the car. Hugh went up to town with us and sat between Mollie & I. He! He! It was pretty crowded. I like it great tho.—Well, I could write a book on what we met at Science Hill. We have to give it in a dirty little, sunken, stone-floored dump. O it's fierce! We had to put an addition to the stage and oh! what fun (2 P.M.) Well, it's over again I'm glad. It went better than it did last night. But I didn't like the kind of crowd we had. They seem so rough down there. Although we had a good time. We haven't heard yet what the goods are.

FRIDAY 16

I hear we get 4/5 from the play last night. O, this is my last day H.S. ever! What an enormous sigh! Senior as for this year anyway. Sept. we take Exams & don't have to take any. I wanted to cry so bad and wild but I kept from it when I realized this was the last day of school. I am really & truly sorry. The Eighth Grade Commencement play (Mrs. Frobs dress) was cute. There were 12 graduates. I felt so worried tonight, so restless! We have not near enough invitations & I haven't anyone to take to the banquet and

O let Trust in the Lord who trusted in.

MAY

SATURDAY 17

I was late to work this morn 'cause I missed my car 'cause I stopped to address Aleck Fitzhugh a letter 'cause he said last night that I showed let him know when I was going to graduate. He was surprised to see I'd left Christ as work. Says he seemed to scold me a lot today. Still he said I should come in the first working hours. I'd wish I had a better job. This waiting stuff is making me a royal miserable. I've such a headache today I'd be very indifferent tonight. Cause I spoke up pretty to me. Honest! He was standing in the door & didn't hide when he saw me coming.

SUNDAY 18

A nice day! Mind's fearful. Wrote to dad & went down to see Florence this P.M. And there the Baccalaureate sermon was tonight. I wore my Old Rose veil. I have such a cold I felt miserable all evening. But the sermon by Dr. Cumbell was grand. "Patience, Pluck & Purpose". I wish I was sure about the latter. And Industry, Frugality & Integrity." Also — "Usefulness is the one thing we should strive for."

I wish I could figure myself with Catherine S. & J. & S. I spoke to Mr. Thompson two. The first time since that night I let my tongue slip. I that rude slip has caused me a lot of unrest. No, I'm not selfish. Rain & colder.

MAY

MONDAY 19

Gee! I'm sick today. I've got the hardest cold I believe I ever had. I did up all the housework this morn but went to bed this P.M. My head & eyes ache something terrible and my nose is red and sore & running like a river.

TUESDAY 20

We seniors received an invite to a party given by the juniors tomorrow night. I got up with a determination to be well enough tonight for the Banquet. Everyone was to report at School this afternoon, so I heard. I could, too, scarcely be sick. Mrs. White drove them home & I rode in my own up town at an office office & he waited the moment I got out. I sat down over home & Margaret came & said she was going with him today, so I went down to see if Margaret would get it for me, and they asked me to go along. So I did! We got the ring & we just have time to dress. I made some butter scotch candy this P.M. & it's good. 11:45 P.M. I went to the Banquet. Uncle Frank was my guest and it was just great. Not at all. Fine program and lots of games. Rich Deerfant & Jake & Nell & Lillie a good time all 'round. Mrs. Jones gave each one a nice class a little book of thoughts from Longfellow—

Emerson & others." She's a dear.

Lulu came down this morn and told me her troubles & I just got hot. Poor kid! Something ought to be done.

MAY

Its got snuff now, I think.

Rain!! I feel a trifle better today. I have a little nose-rag at my nose. Only I didn't get up till 9:30. I went down to see Florence this P.M. Poor girl! She's having a tough time. Flo & Elsie had a party for us tonight. A few others were along too. First we met at Cowper's at 6:30 & were served with soup (Oh! delicious soup) and toast was given. Then they tied. Now we were to adjourn and finally end our journey at Charles'. There we had baked beans & roasted potatoes & then we adjourned to Rupp's & had fruit salad & cake + gum. Then from there to Workman's where we had cake + candy & grape juice. Then some debates, songs etc, and a good time all round. By that time it was 11:30 P.M. so we adjourned for home.

It's all a thing of the past, now. I'm — graduated!! O what a grand & glorious feeling! I'm 20 & free and my. But oh, so happy. The Orchestra was wonderful. The speaker Rev. Bradley D.D. LL.D. from Cleveland was good too. Now for a diploma and — oh! I'm so glad. I only wish I could go to college! And the presents! Why, I think everybody is just so good. I'm about 10 more presents today. a wrist watch from Dad. (it's signed "Good & Faithful") a book from Mrs. Charlie Cowper: also one from Mrs. Anna Cowper: "Salvage" & "Life" from Florence C. + Mr. & Mrs. J.B. Cowen. MAY

FRIDAY 23

I got another present today. From Marge and Wylie. It's a letter stamper. O it's the nicest thing. I never seen one of them before. I think it's just great of those girls.

We had a picnic at the school today. We were going to have it at Mill Creek but the rain (naturally) prevented. We had a good time in spite of the rain. We played Base Ball most all day. For dinner we had roasted weiners, buns, pickles, baked beans, potato salad, lemonade, cake, & bananas. My! I was sick all afternoon.

We got our reports & promotion cards and both teachers told us they'd like to have us back. Pat Battement asked me last night to go to the Y.M.C.A. concert at Petersburg tonight and the folks said I could so I did. Flora & Margaret B. went along. It was a fine program. Quite interesting. And Rev. Whalen a fine speaker. A nice ride, too.

SATURDAY 24

I'm disgraced! I slept till 11 this morn. Wasn't that dreadful! That's the latest I've slept since I've been alive. Mumsey went to town and Carl & I stay home all day. It rained all morning but hasn't so far this P.M. I went to Choir Practice. Tomorrow is Memorial Service in the Pres. church. Field Day was to be today again but the rain naturally prevented it. I think they'll give it up pretty soon.

MAY

SUNDAY 25

This has been a lovely day. It honestly didn't rain a drop all day. I was to S.S. almost on time this morn. Memorial Service was at the Pres. Church this morn. I was down to see Florence this P.M. She seems to be getting a little better. There was just a Crand Jubilee League and Church, and he only preached 15 min. Carl has been sick with the earache & swollen glands, all day.

MONDAY 26

Another lovely day. I finished "The Brown Study" today. It was fine, as all Cher books are. We had a Camp fire meeting this P.M. at school. Next week we have a ceremonial meeting. P wanted (in fact she said I should go to Tacoma with her & I did - We went and saw Mary Pickford in "Captain Kidd Jr." She was good. I like her opposite Gilbert McClean better tho.

Tomorrow if it don't rain, I'm going down to Peg's to stay all night & then go on a bird trip in the morn, oh!

Steubenville, Ohio. And she sent me her picture. It's a boy's handwriting, I'm sure. I blamed it on L. M. it looks just like it. It isn't legible. His handwriting is fine yet. Oh, I wish I had the mystery solved. It thinks it's Lebanon. The funny part is the letter is addressed to Helen Mae McCoy. Now who the ——?

She answered! I got a letter from Vivian Magazin, 912 Maple Way. She inquired about Marge W. and Ida. It's interesting. Best wishes is the tryst.

MAY

TUESDAY 27

(written Wed. P.M. 24 5-7-19)

It's pretty warm today. I started my Band this P.M. It's lots of fun. Peg came up for me about 3:30. We went out to Gould's then across the fields home, and I became acquainted with some new birds. Bobolink, Kill-Deer - etc.

We went to bed at 10:30 o'clock hoping & praying it would not rain.

WEDNESDAY 28

Our prayers were answered. It didn't rain, but was just a glorious morning. We were up at 5:30 & started at 6 o'clock. O, it was wonderful! We had breakfast at 8:30. Made our own fire & cooked "ham an' heggs" & coffee & had bread & jelly. Then hunted till 10 o'clock when we reached home. Oh, I wish I could do that about once a week. It's great! Mrs. McKay brought me a big bunch of flowers as a graduation gift, tonight. They're beautiful!

Had to stay down to Gary's morning work spring till 11 o'clock.

MAY

To-day was Circus Day.

FRIDAY 30

It's Memorial Day. We had a pretty good parade & marched to the Cemetery. Rev. Ostrander spoke. It's good. There was a picnic today but I didn't feel in favor of night picnics.

I'm 17 today. Can you imagine it? I can't. I'll soon be an old maid.

MAY

SATURDAY 31

It's hotter than ever. Whew! Imagine me working next week. I'll melt! — I went to town. Saw Enid Bennet in "Partners Three." It was a Western play and good. Nobody — except the workmen — Mr. Kimmell came to C.P. so they didn't have any.

JUNE

SUNDAY 1

Rev. Jones in his sermon this morn said "We should not talk about our grievances & annoyances but rather our blessings". Therefore I won't speak of the weather. We had a (both churches) Memorial Service for Jos. Werner and Almar Deutchoe. Rev. Nichols preached a fine sermon. Howard has offered to take me for a ride twice today. I wish he was nice. I'm just aching for a ride.

JUNE

MONDAY 2

Well, this was the first working day of the summer. Back to Good Old Knox and worked from 5:30 till 6:45. Inventory. Marge answered the mysterious letter. Now it's up to me to write one too. I wonder who it will go to. Guess body!

TUESDAY 3

I worked real hard at the cookie counter all day today. We scrubbed & cleaned for fair. And Miss McVey said I was a dandy horse-keeper for a school girl. Check! Alma Jones had a fight with a negro woman today. Oh! it was awful! I wrote my letter, tonight.

JUNE

WEDNESDAY 4

Miss McVey put me at the toilet counter and said she'd leave me there. I doubt it. She said the counter needed a quick person, so she'd put me there. Alma again! She'll be scolding the daylights out of me tomorrow. I check. Alma Jones didn't come today. It actually rained for about a half hour tonight.

THURSDAY 5

Miss Moyer was in today and told me to ask Miss McVey if I could get off Saturday for Field Meet. I did & she finally consented. Bless her dear heart! I love her for all her faults. I practically "Mummy" said "No" I couldn't miss field meet or I'd be done up for a week. So I guess I can run the work tonight. It was wonderful meeting tonight. It was wonderful & I love it. We have our charter now.

JUNE

SUNDAY 8

This has been a rather long day for the clocks were turned back to old Eastern time again. But the church time wasn't changed 'til this evening. Therefore I was an hour late to church tho I intended to be on time for S.S. Little Pearl & I were out in the grove this P.M. and saw a lot of birds. I was told this morn that I had a very mean disposition. Maybe so! Anyway it's warmer today. It storm'd something fierce last night. Then there's a peewee around here & it started its mournful tune early this morn. O, it's sepitiful, I can't stand it. It's been calling ever since I came home.

MONDAY 9

JUNE

TUESDAY 10

We had a class meeting tonight to decide what to do for Children's Day. We didn't decide tho'. On my way to my meeting I stopped at Ken's where the "committee" were appointing the league cabinet. Sunny was there and asked me to go to South High next Thurs. eve. I'd go with him but not W. Norman has gone to the machine

WEDNESDAY 11

Mercy! I wish I wouldn't get so tired. I was nearly dead this P.M. It's just the standing. If I could walk around or run on errands or such I wouldn't mind it so much. The girl that's with me & I get along fine together. We went for a ride this eve.

JUNE

THURSDAY 12

I didn't go to work today. Isn't that strange? Well I thot when we didn't me to work at home worse than they did. Still I hate to stay off because I — oh! I don't know how it is. Anyway I enjoyed this day at home. I wish the summer was over. We had another C.E. meeting. We started to Woodlock. I got a letter from Lulu. She is well.

FRIDAY 13

Mercy it's hot! And I'm so tired. I thot I never could stand it all day. SUNDAY 15

O, I've heard something today which is startling, to say the least. Oh! it's dreadful! Helen Reifer my own classmate has gone and got married to Jimmy Frizzy. Just think! She's 17 and he's 20. O, I do hope they'll be happy but I don't see how they can. We went in a long ride today. Sorta. We had a fine time. I did anyway. Coming home we ran out of gasoline then when we did.

I wish (as usual) I could fly. I have a new name now: Ruth. Given me by the "crazy nuts" of a conductor.

JUNE

MONDAY 16

Hazel Borts started in to work steady today and I'm glad. Eleanore promised to take my right to Mr. Felge her music teacher with her when she went to see if he would give me lessons. We went—and I had the great pleasure to meet him. He's wonderful! But—sorrow! He hasn't an hour to give me. He's so busy, he says, he couldn't hear Eleanore's lesson which I enjoyed. We went over it.

TUESDAY 17

A girl from Power's Way started in today at our counter. Such a time! And some little girl got us two bottles of pop because we said we were thirsty.

Class meeting tonight and we planned for a shower for Mr. & Mrs. Silver on next Friday eve. Hope our plans work O.K. And I hoped so.

Y.W.C.A. Nov. 15 there was a recital by pupils of Charlotte Welch Wilson. Its Gin so glad I heard it. Francis McDowell played. She's a fine fol. Was wonderful.

JUNE

WEDNESDAY 18

Gee! that girl is awful. She don't care what she does. I'm afraid Jim is bad company. This is the first night I've staid home for a longtime. I wish I had a day off about every week.

THURSDAY 19

Miss Cramer wasn't here today & I had the Blues. Not the Alcoholic Blues, either. We had our Camp Fire Meeting this eve here. We wood-blocked covers for our manuals. It's lots of fun. Miss Mosier talked confidentially to me about coming down here to school and I guess Jim won over. Till some one's away me to the other side, anyhow.

JUNE

FRIDAY 20

Well, for the first time in my life I was stranded in town with no way to get home. It storned from 5:30 till 7:30 P.M. The Bland & Poland Lite. cars didn't get down. We stood and waited till 9:30, then Hazie happened along and took us home. We were going to have the shower on Pop's birthday but it was a shower for sure but not the wet kind.

SATURDAY 21

Didn't get to work till 9 o'clock. The cars were still on the bum. But it didn't rain anymore, and we went out to Alex's tonight. I thot I wasn't going to get to go. There were 2 machines empty. But Fellows works in Struthers & McCrory came up with Elmer and took Earl & Pearl & Sophie & Mary & Mildred & I. We had a fine time. Mary is such a sweet bride. I talked to her "chaufferup" coming home. It's nice and cool nights. We'd met again. He lives in Canfield. [illegible] name. Mr. Stepjimer was in the store today & promised to come back here next year.

Clifford Smith is turning out a fine enough and he looks grand. So handsome.

JUNE

SUNDAY 22

This has been a beautiful day and much cooler. Almost too cool, now. Children's Day Exercises were to quiet. There wasn't much of a program. Our church is going to do Bunny says it's good to the dogs. Stew bad!

MONDAY 23

O, Gee! I'm discouraged again! I'd give most anything for a new job!

JUNE

TUESDAY 24

Same old thing over and over. Nothing new to tell about. Got a letter from Sally last night. Dear old! how I wish I could have the time she's having. The Conductor knows my name now. When I got off the car he said "Hello Miss Butch". He had asked Sally my name.

WEDNESDAY 25

Miss Cramer wasn't here again and oh, what a busy day. I applied for another job, but it wasn't the kind I wanted. It was housework. Guess I'm no good at that. If I don't get a new job, I think I'll quit in about a month. I can learn more at home. Molly quit work today.

Pauline Gould and Levi Good are to be married tomorrow.

JUNE

THURSDAY 26

Today wasn't so bad. Tonight was E.L. Circuit Meeting at the funny little M.E. Church in Science Hill and I wanted to go awfully bad, but we had a Church Fire meeting here, so I couldn't. We planned for a Lawn Fete, Teas, etc. July 8th. Let's hope our plans don't get all mixed up. Mr. McKelvey seems well satisfied with his college pupil now, and I'm encouraged.

FRIDAY 27

A foreigner but ~~good looking~~ wanted to give me a quarter for a tip. I wouldn't take it, tho. It's awfully cold tonight. Brrr! It's just shivery without a coat. I'm reading "His Official Fiancee." SUNDAY 29

Guess where I was today! We rose at 6:30 and by 11:30 A.M. were at Connecut Lake. Whew! O, it was great! I wish I could rent a cottage up there for a week or so. I got a couple souvenirs. A boat (just a little one) and a camea ring. I'd have to be rich ~~to~~ if I was there very long. But, I'm so thankful for the trip. I got home in time to go to church at 7 o'clock.

I finished my book today. O, it was splendid!

TUESDAY 8

Gee, I had the Blues today. Every thing went wrong. I felt worse every minute. Sin there after work I went to see Marguerite Clark in "Mrs. Wiggs of the Cabbage Patch". It was just splendid. Then I met Marge and we went to the Pavilion Rink and practiced "The Holy City". The leader is fine and I like it well.

WEDNESDAY 9

Today wasn't much better. I got a calling down for leaving my counter and I wasn't my fault. Ball for Miss Boil had sent me a note. O, well, I wish I wasn't such a cat. Lightly it was Sat. night. Then I did bid farewell to Tony all. I made my Bloomers tonight. That's another honor won.

JULY

THURSDAY 10

I was a little better today. For one awful moment we thought the inspector was here, but it was a false alarm I guess. He didn't stay long anyway. Hazel asked me up to her place tomorrow night to go swimming at Lake Glacier. Marge brot me a big bouquet of sweet peas tonight.

FRIDAY 11

This is Sat. I'm behind a day, that's cause Friday eve I went up to Hazel Borty's and stayed all night. We went down to Lake Glacier and went in swimming. It was great. And we had a chance to go canoeing and I wouldn't. Wasn't that terrible? I wd sure sick. I was going to go and she was. She was sorry, I guess. I wished I had ~~been staying at home~~ Thus

Got a card from Reg.

Miss M. said today she didn't think about Miss Bell going on her vacation when I said I was going to quit. And Miss Bell said she wanted me here when she went. So Miss M. said I could take a vacation next week and come back the week after. I said I would. Isn't I funny? I admit I'm very changeable. My moods go [illegible] today. Our cooler ordered our [illegible] for Tues. night.

SUNDAY 13

Another pretty Sunday. I haven't anything to say 'cause I'm on the "provoked list" and am always scolding when I ought to keep quiet. I answered Reg's letter & card. I wonder was it alright.

It's storming tonight.

JULY

MONDAY 14

O, it's great to be home where I can breathe free air and do a woman's work. I had little hopes for the Sunday Tots being spite of the threatening rain all day, we had it. And it didn't rain at all. We made about $3.0. We may clear a little. I had one of my usual good times. I wonder if I am too long in O, Oh! Oh! I met the letter where I've wanted to for quite a while. Wasn't it strange. C. Williams was down for a minute and got this. Mr. Lus. wanted Edna & I to go with him & [illegible] along. Isn't he a good [illegible]

Got Molly & I from Wells' over and then took a trolley home. O short! I wonder what time it is. I can't please [illegible]

We had a hard time leading which church to go to. Finally all but Lew & Eleanor went to the Baptist & we went to the Church. It was so wonderful, big pipe organ and Mr. Felger leader of the choir. Oh! Congregation Cooper was there and gave a short address. Then the preacher Rev. Hawkins gave a short sermon too. Both were fine! And the people are so friendly and congenial and it just so happy nice people that I felt almost sure that that was my church. And I talked to Mr. Felger afterwards. FRIDAY 5

Sometimes each day seems just ~~one~~ the same thing over and over, ~~all~~ ~~dead~~ I can hardly express it. But, I get the blues so much lately. Seems this nothing ever happens to me, nice I mean. Maybe after school starts I get over it. I do hope so. Lulu comes down and tells what she's been doing, where she's been, where's she going, who she's been entertaining. Seems everything looks BLUE, Hope everything changes color.

SEPTEMBER

SATURDAY 6

I pitied my blue middy this morn, but it didn't look a bit darker when I was through. Then I ironed almost an hour. Marg came over in the afternoon and we took the camera and went back by the spring along the creek, and just raved over the beautiful scenery. We took nine exposures, and spoiled all of them I spose, nevertheless we had a good time. I'm wearing my smock Grab I made all myself.

SUNDAY 7

A beautiful Sabbath! After dinner we went way out beyond Nero Castle to where Daddy used to live. It was a bumpy road and so dusty. We were gone from 1 to 6 P.M. It took us just an hour to come from Castle. Bube McBay brought me down a big bouquet of asters. O the prettiest things. Then when I got to church Lawrence gave me another big bouquet of asters and glad asters. Then the McClay girls kept giving me more asters till I had another small bouquet.

TUESDAY 9

O I'm so relieved. I'm minus that horrid old silver covered double tooth. I broke the tooth yesterday morn, and Dr. Krause finished it with the roots this eve. It didn't hurt much. Then he fixed my other tooth so it can be have the gold filling but it next time (next Friday). But oh such a sickening feeling. And Marge said she felt as though she was in a trance. I covered it over the last little odor that reminded her of the dentist. We went to see

THURSDAY 11

Well, this was the day school closed for the Fair. And — I got to go. I didn't expect to at all, and just as I finished breakfast, Mary L. came and told me to come & go with them. (Willie & Mrs. Liddle too) My! I was glad! We had a good time, saw a lot of folks, we knew. Bobby W. included. Mary & I were hoodooed by a sailor and had a lot of fun. We were sidetracked by everything we tried for. We tried so hard to get a cutie 132 [illegible] Luck! I went down to Julia's tonight to a farewell corn roast. We had a swell time.

Mary & I met Sailor Sam. Mary & Mr. S. & I planned to go to the Fair. Mr. S. said he'd take us. Mary & I met Sailor Sam. A lovely roast & fest. Sailor Sam a sweet sailor.

SEPTEMBER

FRIDAY 12

We nominated officers for Literary today. We were going to have it this year. Brrrr! It's cold! In Cicero Saul was reciting & the words were "what you did last night etc." I could hardly keep a straight face. Lee, Dr. Fe & I were nearly laughing too. I didn't look at him. Flet Miss Moyer kept asking him why he didn't get his lesson. He said "I hadn't time". Tsk tsk! Corinne was in a while & we talked a blue streak. And wasn't we glad that time! Dec

Bowse was elected Pres. of the literary and Me Sect. We're at it again. Remember the good old days? And we're going to have a Corn roast tomorrow night.

By hard work on the part of the men throwing buckets of water down over the house, Casey's house was saved. Lew's house burned a lot tho.

SEPTEMBER

The Corn Roast was a success. We had a fine time & did anyway. Mary Moore & Peggy were there.

Got a letter from Cecil today. He's in W. Middlebury now.

TUESDAY 16

Two more new freshies. The Bartlett boys. They're coming in fast. Margot N went to the dentist tonight again. Have a gold filled tooth now but she's a forelorn one. About 7:45 tonight as Lew & I started for the corn roast we saw a big fire & following the light found it was the garage & a vacant house of Mrs. & Miss Moore's & that house of Mayors. They burned to the ground. The Fire Dept. came out later & had died down.

Miss Albert says "just think she'll have 17 points when she starts to college". Yes, where do. Say, I believe I will go! Why, should not I? Rain, this are!

Rev. Baker was here this P.M. & we didn't see him. We didn't hear him knock. He left his card in the door. I wanted to see him so bad. Rev Porter — our old preacher is in town too.

SEPTEMBER

SATURDAY 20

I spose I'll have to go to work next Sat. I hate to. It just seems to take a day out of my week. Still it puts $1.50 in my pocket book and I need it just now. I did Cicero all P.M. Frank & Herman told me tonight that Margaret James wanted me to go to a com. roast out in the grove tonight. The Price & Helm bunch was having it. Ruth L. & Edith S. were also invited. Course I didn't go. Some would wonder why, I suppose. Dear old dear!

SUNDAY 21

Marge & I went up to Trinity M.E. this morn and heard Bishop Anderson. He's just fine! The church was so crowded we had to stand and I got awfully tired. Mr. & Mrs. Workman were there. Shafer got them. So before the sermon was quite over he said they were going & we could go home with him. (Marge & I had come on the car) So we did. Then Workman insisted on us staying for dinner. So we did. Then I had to ride home with him. Oh! what a feeling!

Corinne was here this P.M.

THURSDAY 25

The Fair is now a thing of the past. I'm so glad. I think it was a success. Evan & Marge & I made about $2 selling pop & ice cream cones. Yes, and guesses on the guess cake. Bill Cover got the cake. There was a paper clip in it, I guess someone must have told him. We three worked hard all evening. We only got to see one thing. That was the play that the Sophomores made up and acted themselves. It was splendid. I think I got second on my chickens. Buff Leghorns. There was an awfully big display. I had at least 5 different very good chickens. Of course I didn't as I wanted and was satisfied. Now!

B. & R. Smith - and Bugsy (imagine that?) and Bugsy's - the chum & dance

Only this opinion will don't fall like all thirteen hours.

Well — Marge, Clifford, Albert & Dick McKelvey & Charles C. Evans & Marie B. & myself went to Swisslet school fair tonight. The fair was good. I forgot to say we won a fan tonight.

But — oh I could just bawl. Cause the bad luck couples got mixed ?! up, and Mary — well she wasn't allowed. And I'd like to know why! Lindsay is just — oh he even wants to shoot himself. Nevertheless it turned out all right in the end.

SEPTEMBER

FRIDAY 26

This morning I've had an entirely new experience. Guess what! Teaching school. I taught Miss Kneals 3rd & 4th grades while she taught Miss Albert's while Miss Albert was cleaning up at the H.S. Those children are dears! Tho' they are a little unruly. I liked it. This P.M. we H.S. cleaned up the yard and then played football & basket ball till 4:30 P.M. Ivy & Charles C. and Spud & Dick played with us girls and it was a very happy time. It was the most

SATURDAY 27

O, such a night as I put in! Always dreaming of the Trouble and then waking & thinking it & wishing it was a dream. And all day I've had the hardest time to keep from crying and it's on my mind every minute. I can't think of anything else. And I don't ignore she is thinking a thing about it. Since he is tho' I don't know why I'm so affected by anything that really didn't concern me. I wonder if it's sympathy I wish he knew.

I saw him coming home forlorn, and oh what a pleasant smile. I wonder if he's trying Charlie's treatment. I broke so. Going to C.P. Just

"Brother."

If he just like to know we appreciate our brother so.

Here I'd had for a while. I simplified it too much of that's possible.

Betty & Marge & I went up to the aviation field this P.M. and saw the man drop from his parachute.

SEPTEMBER

B. & I. & Sandy came into League and B. asked to see me home. I said No. Cause I thought he was only doing it to get ahead of I. after church he tools me by the arm as usual but I take no chances.

SUNDAY 28

A beautiful autumn Sunday! All is peace and calm in other way, too. Cause he came over from church with me this morn and said it was all forgotten (that is so far as worrying about it was concerned) after a good night's sleep. (That — and those — Rev. Jones is at Cambridge at a sanitarium for his health, so we had a Mr. Roberts to preach. He was good at preaching But such a pessimistic sermon! It gave you the shivers.

MONDAY 29

The Fourth Week! I can't believe it! A test in Am. Lit. this morn. I wish I could get my lessons better. Especially Science. B. is mad at me I guess! He hasn't looked towards me all day. I wish he'd let me. I'd tell him what was what, and that he had no cause for getting mad. He knew he was butting in. Betty & I went out to Finley's after school. Mary is a darling.

We made $108 at our fair.

The grandest sermon I've listen to. "What is truth?" It was splendid.

I pulled a stunt & went down street with Harry. I had given him a hint with Sandy. He didn't go to church with him. This will be what may termed if it is high sch. I won't let it go too far, tho'.

We saw Ted hanging with his dad going down street.

Our Sam.

I intend to go there always after this. It's fine down there. Then we went to see Sorrere Glamm in Sahara. It was real good for the kind of picture. Then there was a real dancer in person there. She was good for her kind.

SEPTEMBER

TUESDAY 30

Baseball is falling out! We're not interested like we usually were. And the boys have started football. Some of the boys went to Lion Park after school & played Base Ball. Marge & I went to the dentist as usual. And he finished me up today. I'm so glad. He says to come back in 2 months but I'm not lookin them over again. After - we went down to the Y.W.C.A. Cafeteria and got supper.

I'm thankful I don't have to live a dancer's life.

OCTOBER

WEDNESDAY 1

Wet or damp all day. Now that the boys play football we girls get the Basket Ball, that is when those little Freshie boys don't take it away from us. They're so much bother. We got a new Freshie this morn again. The Hackett boy. I hear he is going to take dancing lessons. Ahem! Then he can teach me. He won't know me by that time.

A Nation-wide steel strike is on.

OCTOBER

THURSDAY 2

Libby & Marge & I went over to the new doctor's house after school to see the baby that was on the porch and we got acquainted with Mrs. Henning & the two little ones. She awfully nice & says she has a daughter 15 yrs. old coming next week.

Two of my classes were — not recited today, and oh how funny it seemed to have 2 Periods to myself. It's fine! I don't had just one more anyway. I can't give up Acro. I don't have to take it. But I won't drop any of them. We girls are so interested in football. I wish we could play it. We folks went to see Olive Thomas in "Prudence on Broadway". It was real good.

FRIDAY 3

Test galore today! I'm anxious to see how I'll come out. Vience Hill came over today and played football. They almost backed out when they got there 'cause our boys were all padded etc. They got scared. They played a little while tho. I can't understand the game. One of the Senior girls came along. She wished nice maybe - somebody."

Began Sept. 22. Is still undecided!

OCTOBER

SATURDAY 4

We had a thunderstorm tonight. I love the air so fine. Verna Ds. I'd love to take one of those "suggested" walks now. Even the moon ~~[illegible]~~ all her glory.

I have an awful lazy feeling on Sat. Daddy gave me $1.50 last night. I wonder how long he'll keep it up. I get all my lessons done up now on Sat. while Ma was working I could't. Still – I have a sort of "worth nothing" feeling. Our choir consists of a quartette, now Kennon, Mr. Workman, Marge & I.

9:30 P.M. I like to write ~~[illegible]~~ but course I couldn't express my ~~[illegible]~~ here what I could.

SUNDAY 5

4:00 P.M. O, I made a regular fool of myself in the choir. I got so scared when ~~I made~~ Marge & I sang alone. I just shook all over! And the book shook. Dear I wish I hadn't to be so silly. And worst of all there was a big crowd at church. L & B. & Norman & Bunny F. & Q.D. & everybody. What a fool I am! This morn was Rally Sunday in S.S. Our collection was $7.77. I don't know the exact attendance ~~[illegible]~~ – it was a big one. Sunday that we were beating the boys' class in collection we had $1.85, and they only had $1.16. Here they found out we were going to beat them & raised it to $2.25. I know I'm grinding me teeth. I was up to Lulu's this P.M. and she gave me a lot of something which tickled me a lot. ("He's nice" – She even has a hope chest.

Dear Diary I'm wet and cold but I'm happy. I'm so happy I'm crying. I'm so happy I'm crying. I'm so happy I'm crying

Miss Moyer is awfully considerate tho. She helps asking me how I'm getting along. He don't care, tho!

OCTOBER

WEDNESDAY 8

~~Litera~~! What next? I asked yesterday. This is next! Helias packed us all, about 450 of us, in the one room, and the seats have been changed. That is those in the seats changed. Cept me! I'm still in the second seat from the front. But dear old Shafer is in front of Brueker, and B is behind me tho' this cold as an iceberg. Still he acted old flatty too, maybe he don't notice it anymore tho. I wonder if he is mad because of Sun. night. ~~[illegible]~~ well, anyway, School ~~[illegible]~~ or some such detention home.

THURSDAY 9

I was up with Lulu all night. Had a nice time. We sang + studied + giggled + listened to Mr. C + Sadie talk on electricity, the prohibition amendment, diarrhea, etc. It was real interesting. There's some men putting in a new heating system + they pounded on it 3 A.M. that he got the headache + rescued us of 2:30 P.M. We're going to stop C. Fire + the Club next week. Mother bought me a Dk. Blue flannel middy today + Jacob nearly went wild over it.

Today this mayor says we shouldn't even smile at each other or anything. Guess he's afraid of a riot or some such.

Dis going up to Lake Bright.

studies. ~~Sha~~ Dear! ~~Sha~~ is getting like some old puritan religion.

I got a letter from Molly. She's ~~soo~~ sillier than ever, but she's ~~[illegible]~~ a case on a senior now.

OCTOBER

FRIDAY 10

Harriet Deming the new doctor's ~~[illegible]~~ (whose coming) daughter started this morn. She's a Dopey kind awfully nice. She's been in Connecticut. Some Pro girls went down to the Ming this noon and saw several kids. Four beautiful bluebirds. About 3:30 P.M. it began to pour. Curl got me an umbrella to school. I had an excuse to speak to Mr. today. I had a book he wanted so I said "do you want it?", and handed it back. He didn't say anything afterward. I do wish he wouldn't act so cold.

SATURDAY 11

Dear oh dear! It's been raining all day. Wet, wet, miserable. We went up town for a little bit anyway. I got "Chong" (quite entertained "Whatever Happened Mary?" which is beautiful. I shouldn't go to C.C. tonight, and if I can get out of it I won't go to the choir tomorrow. I imagine people will think I'm bold to try it again. I hardly know what to do about the singing + playing. I wish it would stop raining by tomorrow.

I learned a extra song at Julia's the other nite. Its title is "When Irish Eyes are Smiling" which is not in keeping with some of the rest of my love with Jack!! He's in the case of E.

The Boardman School fair is tonight. Mary says maybe she's going.

OCTOBER

SUNDAY 12

It's quit raining and is cold now. Crisp autumn weather now. Course I went into the choir this morn and helped sing the anthem, two. But, I'm off the roll of saints now thank goodness! Marjorie Rover was elected. Gerald came over from church with us this morn and we stood about an hour on the curb & just held. That is he did. He gave me the swellest talk. It was sort of all about college, your life & what you intend to make of your self, and that sort of stuff that lits home on you. It's so good to have someone talk to you about it. — I have a lost feeling tonight, since I came home all alone. Just so it isn't the last night, Lizzie & I argue.

MONDAY 13

Brrr! Our school room is like an icehouse. The heating system isn't done yet, so we have no fire. We played game till 10:45 the morn, to preserve our health. And were excused all day Tues. & Wed. on account of the cold. Yes, maybe don't think it's healty to sit there in the cold. The seats, the two outside isles are moved close to gether. Mary S. & I are right together. Lucile was in Mary's place one way. I walked to school with B. and he lies own self. Sin so good. It don't work the other way.

Dadd came home from work early tonight with neuralgia in his head. Poor man.

Lulu & I went for a walk up to Hill's spring this morn to see Elmer who was just lost Sun. eve. Awful dick something darling which I had never done before and which I'm pretty sure it was right. I talked over the phone to a fellow I'd never seen or heard of before! Wasn't that terrible? Mary Stevens's fellow's brother, he's only about 18, his name's Mickey and he's cute. Sounds interesting, don't it? He's coming to see Mary next week. Mary's so happy. Guess I'm in wrong. Well better forgit about him, might be a fine fellow. Anyway I'm not Mr. Norris to prophesy. Laughter brace tonight. This afternoon tonight was spread. I was almost in a trance. It was so interesting.

OCTOBER

TUESDAY 14

Our holiday began with rain & quit by the P.M. but is still cloudy. I washed dishes, swept, helped churn, helped wash, got dinner & washed dishes and then worked out all my Acro. Mum wouldn't let me walk over to the Union School with Libby, Mary & Harriet Deming. She made me so angry. She was just fussed cause they only called for my and didn't come in for me. No wonder they don't. I don'ese what she means. I wonder what Mickey is doing tonight? Dis Tues. eve.

WEDNESDAY 15

Another dull day! My I'm glad these holidays don't come often. I haven't spoken more than 5 words to Mother all day and I'm ashamed of myself. Well, still I can conquer my pride and forget — how she acted. I hope she's that about it.

I cleaned my room today, and got all my little odd jobs caught up, now. We went to the Market St. tonight. The Priscilla Dean was an odd picture. Dad's bright now. He went to work today, was home all day yesterday, tho. It has been cloudy all day.

I saw a picture show acted out this morn. Brandon has a motorcycle with a side car. He started up the road and I guess he didn't know how to work it. Anyway, it got away from him. He couldn't stop it. It ran so funny, he ran from one side of the road to the other, then in the ditch, and then he jumped off and it kept on going, till it tipped up and started after it. It just shied a rock and there.

We had a Camp Fire Meeting up at Lidie's tonight. Planned for a hike next Wed. eve. after school. If it don't rain!!

OCTOBER

THURSDAY 16

When all's said & done I love school! Even Physics doesn't interest me as it should. And even if I do recite the wrong thing in Science etc. I like it all. Oh, when it's all over — I'll just die I think. Unless an alternate just as good or better is found. Will there be, I wonder? Dear! Future is a dreadfully puzzling & worryable a thing.

Harriet taught Betty & I French today. I didn't know I had a chance to tell someone! It's a very fine language. Betty didn't like French. Wish I could take it. Bowie is so Lovable now. We have lots of fun.

FRIDAY 17

It's cold today again. School went as usual this morn tho'. But this P.M. he started something new. Spelling! For some reason, he chose Marge & I as Captains. I did run choosing. But they only beat me by 1 anyway. Then we spelled down. And wonder of wonders, I spelt them all down. It was unbelievable but it happened! It got down to Arnold & I & Marge & I. Then just Marge & I. I forget what the word was that I spelt her down on. He said at the beginning that it was an honor to spell the school down. I wonder if I looked puffed up? Harriet told me something tonight that shocked me. She said her verdict as a Bringer was that B was stuck on me. Imagine that! I wonder what makes her think so. Of course it couldn't be true.

I feel worried & I had no reason to feel worried. I should have spelled them down.

OCTOBER

SATURDAY 18

It's still cold. Harriet & I went uptown at 1.15 to 10 P.M. We met Betty at 2 and went to see Jack Pickford in "In Loving". It was real good tho' not as good as his other pictures I don't think. He was fine, tho'. I'd like him nearly as much as P — whoa! I'd like Harriet better the more I see of her. I got a letter from Hazel B. tonight. She's going to business college. Went to church as usual.

SUNDAY 19

The folks went to Mager today, but I didn't go. I don't go long. I hate to miss Mr. Robert's. They're so good and to the point. This morning was "and they measured themselves by themselves & amongst themselves and were not wise". And this evening was "Neither do I condemn thee, go and sin no more". It covered just remarkably all his good points. — Marge & Betty & Harriet & I went for a walk, we went out by the railroad and — we met two tramps, working fellows in a Ford who kept driving right beside us as we walked along. We got nasty & tried to control our giggles. They tried to talk to us but we never let on we even saw them.

Then Marge was overdoing flirting with two drunkards over on Rowe's porch. We went on our porch. Dear! Then Harriet & I sat on our porch. Dear! French to us. It was suggested at S.S. that we have a Hallowe'en party. We will have a nice party for divers reasons.

Dec. Marge and I met Mag & Betty coming up the road. Thought it was about time. Betty said she was so frightened, and she was so afraid of a storm. Wind & rain & darkness & thunder & lightning & all the elements combined. Poor Frances! Poor she was so afraid of the storm.

Elizabeth Lewis is married, now Howard Schmidt. Isn't it terrible?

OCTOBER

MONDAY 20

At last, we have heat in the building. Almost too much now. Plans for the Hallowe'en party were started today. Bruce told me he was crazy about "that Ward girl". Also Marge Flowers. Dear! I really played Basket Ball this noon. With I could play good and wasn't so awkward. I went to town after school. Didn't get my camera yet. Went up to the library & looked at stuff — didn't get much.

TUESDAY 21

Rain all day again. It's getting ready for the ball game + our Pike. Our party looks doubtful, cause Mary + Isabel M. are having a Fri. night + Mrs. S. don't want us to have two school nights (—?-!-:-·-;) Listen! Take my close attention to this which I'm going to say. Shafer has invited Marge + Bowser + the teachers + myself out to his house to see some night next week. I guess it'll have to be Sun. night, cause the teachers have engagements for every other night. Naturally the idea of "combination" comes up. Marge was in a fix for a show — and if I don't get my desire I'll

Had fine club, tonight!

Today my uncle gave me the watch — two kids. Also I won a very serial, 5, Nic!

never cease to hate — exactly so long as he or whoever the cause of it.

Flowers. Harriet has started to tease today, & I'm wondering why we got invited to school. Theodory Harriet + I and a couple bright girls were seated between Bruce + Blue. Bruce + Marge were seated behind us. Marge + I were seated behind Bruce + Blue. Bruce + Blue were seated behind Harriet + I. Harriet was right in confiding in us. She's a big tease.

OCTOBER

A few more games like that with third opposition & I think our boys will be pretty good players.

WEDNESDAY 22

Well, there was nearly a strike at school today. We girls thought we weren't going to get to go to the Football Game between our boys & Boardman at Boardman. We had declared we'd go if we had to walk. Then he said he wouldn't excuse us. Oh, how we stormed! But the boys went at 3. We went at 3:48. Bill loves both Betty & Harriet + Marge + I. And oh! how I'd have hated to miss that game even tho' the score

THURSDAY 23

Cloudy all day but it did not rain. Wasn't that a miracle? And we went on our hike after school + had the grandest time. We built a fire & fried eggs + had buns + pickles + candy. The eggs tasted so good. Mary + I were stuck in a flat rock — we found my rock — but — a secret cave. Mary was kinda scared at first. But, we went in & explored. It was grand to crack + swim. It showed it hadn't been used for a while. But the scenery around it was so beautiful. One large oak has a ladder built up in its trunk. Sort cowed. We climbed. When we got

I wish I had been there cause I'm sorry we aren't Swan — Said it was grand.

Somebody's always taking the joy out of everything.

Dick asked me in Mod. Hist. this question: "What was the president's name 30 years ago?" Oh! he thought awhile, painfully, and then said "I don't know." He triumphantly said "Why Woodrow Wilson! wouldn't he be clever?"

OCTOBER

FRIDAY 24

Well, Johnny was at some school conference in Cleveland today. We didn't get out many lessons except Cicero, this and I taught the Mod. Hist. class. It's fun! Peggy was up today, visiting also Corinne. Marge & I went up to Central Christian to the S.S. convention. Rev. Tolles from C — spoke. And oh! I don't know when I've heard a speaker who appealed right to you personally as he did. I wish many, many, more, and I have heard him. But — horrors! who should darken our happiness

SATURDAY 25

I didn't get up till 9:00 this morn, but when I did get up I worked for fair. Cleaned my room & the parlor, washed two pair of stockings & the lining to my dress, pressed my coat, frosted a cake, got my dinner of two full to the brim plates of beans, and finished "A Sale of Two Cities". Everyone misses something who doesn't read that book. Then I went over and got Beth & we went up to Marge's. Marge got mad at her & gave the plug out in the yard, & Beth threw it in her mouth & I couldn't get up. Beth told Marge she lost her temper too quick & Marge said she didn't lose her temper. Beth said "Yes you did or you wouldn't have thrown that pop out to all them." "I'm a liar!" said Marge and with that she

OCTOBER

SUNDAY 26

It's been misty all day. Rev. Roberts sermon this morn was on Temperance. He told some fine stories. This evening's was "The Prodigal Son". I never knew it was such an interesting story. He made it so modern. I wish the boys could have heard it. I studied all P.M. Florence G. & a girl friend of hers were in awhile. Rain always makes me gloomy, therefore I add this: — I don't consider it a proof in freed cause he never around when I really need him most. Maybe he'd have to be around almost continuously to me.

MONDAY 27

Rain! Rain! Betty told me today Harriet Spencer & Marge. I was surprised. I got a note from Marge this P.M. She wanted a armistice signed "Till after the party", just cause she wanted my help on the party. She didn't apologize, said she wasn't ready to, or something like that. Well — I didn't sign any armistice. I gave her my two to equally divided between her & the nothing had happened until I got an explanation. Well, I suppose she thinks it over. — We got our reports. 93 in Biology; 94 in Science; 94 in English; 90 in Mod. Hist. and 80 in Physics. I see where I have to buckle down to that blessed old stuff.

OCTOBER

Brrrr! It's so cold & windy today!

It's to be settled tomorrow whether we have a party or not. It depends on how many come.

TUESDAY 28

Well, I might say, it has come to a head. I got a long letter from Marge which she explained how it was, & said if I didn't want to consider her a friend I could go to Harriet! And she, in fact, threatened me if I didn't say I'd help her with the party & tell Mr. S. the party was given up. Well, that made me mad. I'm made it clear I'd have to do a lot of forgiving. Of course, I must, but I just can't forget the same. It was in the cloakroom Marge & I had a regular spat over the party. I was so mad my ears burned.

WEDNESDAY 29

Well it's settled! Or if it isn't it never will be. I asked her to have a talk with me. We had it after Glee Club. It was very unfriendly at first, and she accepted my forgiveness very stiffly. It was awful. She didn't seem to think there was anything to be forgiven for. But, after we had discussed the party & then discussed things again it looked brighter. I told her I'd come off with her & we shook hands, so we patted in the best of spirits. And I hope it will continue. It was dreadful. Everyone was asking us why we weren't together today. Marge credit sking sometimes the head when she thinks about it. So I'd hope it's all over. And I hope it is not sort of that is the word.

OCTOBER

The grade school played our second team (the hamnigans) the ever. 6—0 for our boys. Betty & Harriet were here & I went to their house & got called "tomboys" by L. because they were out on the field.

THURSDAY 30

Things are normal again. There's no avoiding done. Plans for the party seem encouraging. We have lab. work in Physics & Gen. Science both. Today B. & I sup & were in the library working. Not alone B. told me he wasn't going to be there tomorrow night. And then he said "I'm going to dance at school tomorrow night, too!" Now, what did he mean by that remark. That there was no interest there for me then. Feb.

FRIDAY 31

Sat morn: 4:20 am. We had skating again today.

Thank goodness that party is over! O, it was so much work, but I guess it was worth it if they didn't have a good time then—they don't know what a good time is. I was the fortune teller. O, what fun! I told Miss Boswell she was going to marry a school-teacher some day. I told Miss Meyer she wouldn't be married till she was 40. And she hates school all the time. Then we had bobbing for apples & all sorts of crazy stuff for initiation such as eating spagetti & then shaping it like fishing worms. Oh they would've had ate the latter. Then we ate out pie with spoons tied close together. That's each couple's was. Then we had. I call it a success! Afterwards—we came at 10 & then—well we took Harriet home, this she wanted

I continued in "Tale of Two Cities" today

NOVEMBER

SATURDAY 1

Isn't it strange how your mind will change words in such short time? I wish I had had something of this feeling last night. If I had I wouldn't have had occasion to have it this morn. Well—I just have that feeling of "oh whipped I do it". This week has really been trying. Since last Sat. I have it been in a peaceable state of mind & sin. Let's hope next week proves the opposite. We went to town this P.M. I went into Ellis & surprised Ma, he makes 20

SUNDAY 2

O, I woke this morn to find the sun shining, and tonight the moon is shining. It seems too good to be true. This morn in church Mr Roberts announced on going to Showsee. On Sunday. Well he had asked me to go this P.M. I had told him I'd. So he said we'd go to week. We got Marge & Clifford & Dick & Ellen and went down thru the graveyard & on. Then took some pictures at the Wine Bridge & ate nearly all three pounds of candy I'd in it & chocolate candy. Then we went all the way down to the Hamilton Reservoir and back. We started at 2 & got back at 6 & Dick & Ellen & I came in and played sangand looked at pictures. Dick & Ellen went home about half nine & I stayed till 8:30. Dad said he expected him to stay all night. Huh! Of course I'll swim & didn't go to church. It was only league anyway.

158

Dad forbid me going to show on Sunday. Mama said I could go from 2 to 6. Thought a strangulation would do. They have to get flowers on sale.

Gladys McCollum came to school with me this P.M.

NOVEMBER

MONDAY 3

Boo! It's cold again! Mr. J. went home about 1:30 he wasn't feeling well. I'd like he'd be well by tomorrow. B. & I had a wrestling match in Physics period this morn. We were in the library. He had a picture he drew that I wanted. He's been trying to fix it for days saying I couldn't have it. So, when he showed it to me today I grabbed it, and he put in a struggle. He twisted my finger, doubled them every which way, twisted my wrist & every thing. I wouldn't do it. He said he always won. I was very strong. At last he just twisted my fingers back till I couldn't hold it. But then I always wins in the end.

TUESDAY 4

My! my lessons are awful. That is my Ancient Hist. is! The rest aren't so bad. But we all had a long lesson in Hist today, and tomorrow all but George & Harriet & Herman have to take it on top of today's lesson. I imagine we'll be P.H. so bad! I ought to get all my lessons perfect! I wonder how it's done. I got the most interesting letter from Eleanore. O the college life! Mr. J. is back but isn't feeling good.

159

We O.T. Girls are going to have a supper at the school Nov 7th Thurs. eve. Our boys

Gladys McCollum came to school with me this P.M.

Mr. Clark brought.

Mr. and Mrs. O.T. expect to drive down to Jamesville tomorrow & take Gladys home. Course we're going. Play everything! I'd like to go & take a supper and the time of my life. We left home.

NOVEMBER

WEDNESDAY 5

My this has been an exciting day or rather evening. Our boys played Sigourneville. Harriet & Marge & Mary & Betty & I went over at 3:25. The game was fine! Score 19 to 0 or 6. It's undecided! Favor Us! Yes! Mary! Our boys are great! Coming home on the car I had to explain to Jr. while I was going to club, which was to Shafer's or Stefer. Jr. was talking to another girl & I had to explain. He gave me a big explanation. He was sorry. My! What fun teasing him! But he teases me. — Then we got ready to Shafer's at 7:30. We took no car in this Machine. For supper

THURSDAY 6

we had SNOW yesterday. It's a little warmer today. Just about right. We C. F. girls had big supper down that lane past the school. We had buns, beans, baked potatoes (My, what fun we had covering them with mud first!) Bacon sizzled over the fire. It tasted real good too. Lunch had gone for nice. We had lots of fun too. Peggy was along. Then we all walked home way out with Edith H. and Mary Dolph Brown & Cody & Cuby, etc. Carl is sick, tonight.

NOVEMBER

FRIDAY 7

Peggy came racing in at 7:30 as I was doing the dishes & said "Come & go to the Shafer with us." Well, it sure was a shock! Course I went. The show was great. Sorry it was wonderful! I owe a lot to Hinks. I wish they knew how I thanked them. My blues are gone now. I feel quite different. Well, I'm tired. I'm going to bed. Shafer. Hi!

This is one of my blue days again. We're having a Red Cross Drive & I gave Arose 50¢ of mine to keep at Shafer's. Well, and I forgot it when we got home, and he hasn't given it to me yet. I'm broke & can't pay anything to the Red Cross. We have to pay all here in school. Just as much as we can. Sadie proved it to him. And then Shafer came to the house to do wash some & the other fellows had a little of his nerve & wanted to go to see Cecil Hopkins at the school. Pretty tough. I gave the excuse I was too tired. He said he can't or won't take a hint. Now, he's only

SATURDAY 8

Whew! I guess I worked today. Washed windows, woodwork, dusted & made myself generally handsome while Mom papered the dining room. Betty told me a little more about "taffy pull" that's brewing. Harriet had mentioned it first. Marge & Mary & I are awaiting invites. Wouldn't it be awful if we didn't or I didn't go? Aunt C. S. as usual. And Guess Who's Here? Uncle Charlie the soldier boy! Honest! He came home last night. Yes, I was glad to see him. Andoh! But he's big & handsome looking.

NOVEMBER

SUNDAY 9

A real nice day! Florence asked me down for dinner so I went down there. She's in love with my soldier-uncle. — Betty & I went for a short walk. Lulu also came in awhile & we talked — about — well it's getting to be a common topic now. Rev. Roberts preached on "The Meanest Man in Poland". Which was — "Thou art the man". Gee! I was glad I got out side the church & there he was. He said he had a notion to stay & follow me but he'd have to come home & ring my doorbell & ask me to the party! I said I'd go. Gee! Wh! Bet! Bet!

MONDAY 10

All's well — I guess! No excitement. We got Miss Moyer to boost the C. E. Meeting Thurs. Eve. Now, wha'd'ya Mum would keep her word. Gee!

NOVEMBER

I "broke the news to Mother" today. She said "I don't know whether you will or not". One of the football team at Bryan is to be there, too.

TUESDAY 11

This is "Committee Day". We didn't get a lot done tho Mr. S. said we might have had one if we had we insisted. Some of the toughs from Shutters came up & raised a racket around the school at the time of Science class. Mr. S. chased them for about an hour and also said later "caught three of them & the rest of them were down in the swamp crying for help". Gee! It was funny! Marge & I graduated from pantoufline after school. Sigh. "Jeanette & Pierro"

WEDNESDAY 12

Mr. Hull was here this morn. Listened to our Civics class & guess what he said after got done reading my two essays? He said "Well, he reads as tho it were English, doesn't she? I could scarcely follow her". Whew! So my head swelling. We Home Projectors have to give an Entertainment next Friday. What'll it be? We've heard more about the party. Another couple from town are coming and Mary Gibson's going with his mandolin. Glee Club tonight. The football boys are practicing on the field cut by Bishop's now. We play Shenandoah here next Friday.

Call to book, write indigestion, headache & everything else!

My Home Projectors have to give an Entertainment next Fri. Mum-Dad.

NOVEMBER

THURSDAY 13

Oh Carl is so sick today. Doc said it might be the "fever" coming on. O dear! He got off his head all the time nearly. Nevertheless I went to school & to a Cinco dance. I wasn't scared! And this eve. I went to the party with Ed. It was at Vicki's & really did have a grand time. I hope he believe I did. Tho' I was fearfully scared. Well they always do that perfume stunt. Miss Mary Orchard married Harriet. She is a nice man, I think. Dear diary!

FRIDAY 14

I stay home this morn & minded Carl while Mum washed. His getting cross now and that's a good sign. The Doc said he was afraid of fever yesterday but he said he was better tonight. I'd hope so! The poor little dear! He's to little to have the fever. He talks so crazy. It's just uncanny. And so pitiful. I hid only we'd his sight mixed. This P.M. at school we had a School-Home Project entertainment. Skuches, talks, songs etc. We were to have a game with Scienville tonight but I heard (I thought I'd go up) that the Scienville bunch had a wreck & didn't get here. What a shame! Uncle Charlie had let me a dish of cream that we wouldn't win.

We had a circus picking. The boys get partners by a new method. For lunch we had corkies & cream, pickles, apples & chestnuts & toasted marshmallows.

Four boys from Strutters school that were in the Armistice Day "Gang" came up here this morn at Mr. S. request and one in behalf of all the others gave the finest confession you ever heard. It was splendid. He only meant it. He's so strait forward & nice about it. We heartily forgave them.

We played "wink" and Helen Wines winked at me & we all thought it was funny. Mr. Ernest Johnston is cute looking. We also danced. The dances started.

We had a free time in the afternoon & I spent it in my room.

Sun. 16 — I just wasn't cross & I'm too good natured to be jealous. I'm not pained if that's slightly.

Given Harriet Hill for more obliging time.

Scanna home mono, tongue. Doesn't that sound awful?

NOVEMBER

SATURDAY 15

Well, Doc says Carl is much better. His temperature is down almost to normal. And he's different today, too. He isn't so flighty. He wanted me to go to town this P.M. & get him some plaything so I went up. It's just nice out today, tho' its colder tonight again. I started my bead necklace tonight & broke two needles.

SUNDAY 16

Carl just whines (excuse the expression it's meant a lie) all day. Sleeps part of the time. But oh so cranky. He won't let me hardly speak to him at all today. Dear! I wish he was well. It's been a splendid day. Wish I could have taken a walk. There were 13 in the choir this morn. Somebody roused 'em up. Gee! it's nice when there's a lot like that. Mr. Roberts preached about "living worthy" this morn. — 9:20. Doc says this eve that Carl is better. His temp. is 99°. Mr. Roberts preached about the "Big Little Men" & the "Bible" tonight & but it was good. It was especially for young people. "I do wish the boys" had been there. He said when women were determined to do a thing then

Carl's "fever" is nervous exhaustion. He's in a rational condition. He also showed a sense of humor. Dr. Stick thinks Carl's fever is a secret. His examination was somewhat shocking.

Carl ~~has~~ slept good last night, has stuff & sassed and cried a little with pain all day. Mostly slept. But he so cross.

NOVEMBER

MONDAY 17

Harriet informed me today not openly but in her hateful way (I consider it so) that she and Mary were out walking yesterday p.m. up to the aviation field & then they were at her place till about 9:30. I wonder if she honestly does it just for meanness or if she's just acting for a beau. I'll give her the benefit of the doubt. Well — I suppose he enjoyed himself much more than he could have [redacted] at me.) Bowser shakes my desk & then tells me to not "shimmie" in school. O, it's awful! I wish he had a little me

TUESDAY 18

Doc says Carl is getting better but very slowly. He is so weak. Poor kid! He isn't so stiff today, tho. Dad brought home the dearest, cutest, smartest, liveliest little black pup that I've ever seen. I laughed till I nearly cried just at its actions. O but it's funny! And so lively. It's never still a minute. We started to dance upstairs in the room. Miss M. came up & shook her head very disapprovingly. Our S. had a class meeting up at Reifie tonight & planned for a party the night after Thanksgiving. Dunsand, Kennon's class.

NOVEMBER

WEDNESDAY 19

It's been snowing beautifully all day. Carl isn't any better. He's cried more with this knee today. I began saying "Nint" I know in Science today again. Gee! I wish I could stop it. I don't give me any pleasant looks anymore. I don't know whether he don't care to or whether he's thinking of Ruth. I hope it's the latter. We club tonight again.

THURSDAY 20

Dear, oh dear! Carl seems worse again. He seems to be out of his head again & cries all the time. Doc brought Dr. Demaly in tonight. O, I hope he soon gets better. — We had our ceremonial meeting tonight. O, it's wonderful. So beautiful. We were given our hood & beads tonight. I have 12. My! there's something to be proud of. Marge & I gave Pierrette & Pierrot. I had the funniest cutest Pierrot costume on. They seemed to like the thing. We initiated the new Camp members and then had a delightful bunch of sandwiches, cookies, nabisco, grape juice & chocolate.

His temperature is 104½ tonight. Drs. Deming & Joyce gave him another injection tonight, and are going to send the ~~[illegible]~~ ambulance to the hospital to see if it is approved.

NOVEMBER

FRIDAY 21

O, what a day! He has been in bed in the morning pretty worried this morn so he went to town & got Dr. Booth who came & gave him an examination. He said there was an infection he thot., whatever that is. Then had suggested a nurse, so we got one. O, she lovely. Miss Nicholson. She just graduated this year & is as sweet & nice & sincere wish for. I feel sort of relieved to think there's someone who knows to let

SATURDAY 22

His resting easy today, or rather he was this morn. Then the nurse left at noon, to be gone till 6 o'clock. He don't seem to like to have us around as well. He cries more.

Pearl & Florence brot over a big bouquet of flowers & two geraniums as with "sympathy and good wishes from the Epworth League". O, everyone one is so good. Mrs. McKay & Rev. Roberts were in the church, too.

NOVEMBER

SUNDAY 23

Mum gave way and cried a whole when the "funnies" came this morn. His temp was only 102 this morn but then it went up to 104 tonight, again. He seems more like himself today. He talks more sensible when he does talk but he's pretty quiet. The doctors tonight said one of his lungs was a little infected. It's just one thing after another. They bandaged his [illegible] all up.

MONDAY 24

He had a bad spell in the night. She worked with him from 12 to 3 & then got the Dr. ~~She gave~~ He's been sleeping ever since. 10:20 P.M.

We got a new nurse today to go on night duty while Miss Nicholson gets some rest. This Miss Swartzwalter isn't near as nice as "Nick" (as she called). But, none could be as nice as her, I believe. O she a darling. She'll be here from 7 A.M. till 7 P.M. & then Miss Swartz takes the night. He was awfully restless all P.M. till she gave him the hypodermic. So many people were in to enquire [illegible] Bout a big bouquet of roses from her & her S.S. class & Mrs. Kidder brot a bouquet of carnations from the choir.

NOVEMBER

TUESDAY 25

The Dr. said this morn that he wasn't any worse and his temp. was down. But, tonight he began calling Mamma! Mamma! and once Ethel, Ethel! O, it sends the chills thru me. Poor little soul! His eyes are sore today and he hasn't opened them today, I don't believe. Lulu was in this eve & got me the nicest note from her.

WEDNESDAY 26

We "fired" Miss Shwartzwalter this morn. Had told her we'd try & get along with only one nurse. We can't tho', but she was worse than noose. She just sit & read or hemstitched a hankie & didn't seem to pay any attention to Carl, so we tho't there was no use keeping her. I didn't sleep much last night. Carl kept calling all night. And this morning he keeps hollering such! It's pouring rain! That probably makes his pain worse. O dear! 5:30 P.M. He passed me; O, I never thought a person could suffer in the way that one did. Of course he didn't know he did. But anyway—oh! how much. Dr. Thurnico a "child specialist" was down today & gave him a thoro examination. He says he doesn't any rheumatism

Miss Nicholson stayed all day & all night & bringing

which has affected him all over. He left eye is sore today. So Dr. Ritter, the eye specialist came down and looked it. He said it was caused from a cold and such a name + came from his rheumatism. O, it's awful.

Southbeat Rayen in their annual game today. 7 to 0. I'm sorry.

I made my first pie today. It was a raisin pie & real good. The crust was as flaky as could be.

NOVEMBER

THURSDAY 27

It's Thanksgiving Day. What have I to be thankful for? It's seems as tho' I haven't anything, with him so sick. And he doesn't seem any better. But, I'm praying! We got another nurse this morn. Miss McBride an old lady & a practical nurse. She's real nice & I believe competent.

FRIDAY 28

It's Monday morn Dec. 1. Since I last wrote here I've gone thru one of the hardest times I hope I'll ever have to go thru. I gave up my little brother. O but it was hard! From 2:00 A.M. Fri. morn he never moved. And at 2:00 P.M. I — saw him leave this wicked world and go to his Father. When I look at it that way it isn't quite so hard. When I think that he won't have to go thru all the trials & hardships of life. But — oh! how I miss him.

"whom the Lord giveth, let him take away."

NOVEMBER

SATURDAY 29

He was the life of our home, and it's so lonely now. But I think Mr. Shriver (the undertaker) gave me one of the most comforting thoughts of all. He said "Well, it seems we each have a mission in life. These little ones have too, and your little boy has fulfilled his mission in these seven years." That helps me so much. For he did fulfil his mission, which was to bring happiness to our home and to many and all others who met him. Everyone loved him because he was so cheery and happy and bright.

SUNDAY 30

Rev. Baker came from Madison and preached at the funeral. He's such a comforter. He was always such a good friend of Paul's. The funeral was Sunday.

"If we still love those whom we lose, can we altogether lose those whom we love?"

Thackery.

DECEMBER

MONDAY 1

There is no flock however watched & tended
But one dead lamb is there;
There is no fireside howsoever defended
But has one vacant chair.

Got the devil letter from Septia & felt very blue. Also one from Betty & Harriet. It's so comforting.

I've had a new experience today. You never could guess! Working in the postoffice. I'm going to work there from 3:30 till 7:00 every night for a month. Edith is sick. It's great! I like it immensely. Miss Moyer was in a fine dreyd. She came over & told me she had talked to Brother for a half an hour and she says "My, I love your mother! I never knew her before."

TUESDAY 2

It's cold and snowy today. I did the housework & ironed a little & did some Acros & by that time it was 3:30 again. My! how the time flies.

O, how I miss my brother tonight. When I come home & think he's not here to meet me! And in the paper it said Christmas was the dividend time. O, what a lonely Xmas here without him to wait for Santa.

Just how we miss the dear ones. O I wished I could see Mary & the rest of my people. I wish I could see Septia & Ruth & Harriet & Betty & the rest. I wish I could see them & talk to them. I wish I could see Mary & the rest. I wish I could see them & talk to them. I wish I could see them & talk to them. I wish I could see them & talk to them

DECEMBER

WEDNESDAY 3

We went to town this morn. And I can't help but almost cry when I miss him sitting with me in the back seat as he used to or seeing him sit up there in the front seat beside Daddy. And to see the many toys in town. I'd never thot it would ever be this way. I wonder if I'll ever get used to missing him. —

Evan B. (the loud one) & Bowse came over with me tonight & he said his younger cousin was all

THURSDAY 4

It's winter for sure now. Cold as can be! Daddy gave me a gold dollar last night that he found. It's real cute. I like the P.O. work. Daddy don't like to see me work tho.

I learned "Little Boy Blue" by Eugene Field tonight in memory of Carl. I think it's such a sweet little poem.

I also learned "How did you die".

DECEMBER

FRIDAY 5

Well I started back to school this morn. And got my seat changed. I'm next to the ~~seat~~ back seat now. It's lots better. And I'm to have a reading for the O. Entertn. That's nice!

Jo came in and talked awhile this eve & I roasted him about Harriet. It's

SATURDAY 6

It started to snow this A.M. but by 5:30 it was pouring rain. Lulu was down this P.M. She's going to Florida after Christmas to live. On account of her mother's ill health. When closing time came at the P.O. tonight Miss Byers asked me what my bill was. I said whatever she gave the other girls. Well she handed me $6.25 & almost fainted I was expecting about $3. But I'm look with my job now. This is what I call a decent job. I feel very rich tonight.

DECEMBER

SUNDAY 7

It cloudy and cold. Tried trying to enjoy all day. Went to S. S. & heard that our party (Kennois & our class) is to be next Thurs. eve. He's looking it's a success. Well, he came over with me to the ~~school~~ church & stood about an hour again. That's a awful habit he has. He won't come in or go home either one. He teased & pleaded with me to go to Meshoppen and have Luke & my engagement "for springs" and I was very much tempted.

MONDAY 8

The sun shone today! First time for weeks I guess. It made me feel difficult all day. First time I've felt that way for a while, too. Studied & wrote letters. Sent my dues to N. Geog. Society & sent for 3 Readings & sent Peggy a letter. Got a letter from Molly. It was a ~~bad~~ lovely letter. Luke came in this eve. Said he was sick yesterday. She's forgiven. Spoke to him tonight and he intentionally left, I could take my pleasure. I didn't mean it that way. Guess he got me home.

I didn't have anyone to go to church with tonight. We didn't have any at our church. So I stayed home & wrote a long letter. I hope she will get my juice meaning.

It's a letter from George tonight. Here's an imaginary sorry soul.

I had promised Leo to write to him tonight — and I couldn't resist trying to make a long letter out of it. Well, to make a long story short, I'm studying Spanish. Don't? Course! Just for fun!

DECEMBER

TUESDAY 9

Dear! Dinbrea a wicked little critter all day. Started by cutting up & smiling across the way first period. Then at noon asked to be excused at 3:30 & go to a big long lecture. He thinks my health won't stand 3 subjects & working in the P.O. besides. Maybe it won't. But, dear, I'm giving it a trial. He said to "try it for a while. I intend to." He pouted up this afternoon — then to top off my wickedness I told him I'd walk home at 8:30. Dear! I was a wicked little girl.

WEDNESDAY 10

I guess I acted better today. We had our pictures took today. We have a new projector. Whew! but it's cold tonight. Winter for sure! It has one consolation: Skating! I got three Readings tonight and don't quite satisfied with any of them. Here Hermie escorted me home tonight. Fine! Escorted? No, just walked over.

I left my books in the P.O. tonight. Rebecca of Sunnybrook Farm tell about 7:20. Gee! If Mr. J. R. S. knew that!

Dear Jim: Leo wouldn't let me tell you to quit trying to write to me. Lasting Jim: Patrick and we were first sergeants during the Civil War. Yes, we fought like Kilkenny cats. Tuesday at 8:00 P.M. Stuart.

DECEMBER

THURSDAY 11

It's 12:45 A.M. and we just got in from our S.S. class party. I had a good time cause I was with my own bunch & could make a good time for myself. Ruth & I wore books and had lots of fun. We played ambassadors & charades & Bunk & Stay Burnt Bump. Lunch was sandwiches, pickles, doughnuts, cocoa & fruit salad. Well — I don't know why but I've got the blues as far as his

FRIDAY 12

This is Julia's last day! She cried when we sang "Auld Lang Syne" this morn. She had charge of Chapel. It was all hard. I found I was copying the names in the book at the P.O. all evening long. Gee! I feel tired & don't know what to do. I believe I'm a powerful lot of crazy. O! Gee! — He & me were nice as ever today. Maybe he's forgiven all. He was over to the P.O. for the first time ever. Came in to say "Good bye" before he left for dental school & a good time

DECEMBER

SATURDAY 13

McBrouse were robbed of $35 and some merchandise last night & Bloodhound was lost downtown. Didn't track anyone particularly. Smallpox is on a Plant bunch & Lacey the included. I wonder! July 4th went to Lowe and he dear! The crowds! And I didn't get much Xmas shopping done. Drat! I wish someone else could shop for me. I'm so

I slighted Luna this eve again and am so worried over it. Hell feel for sure that I don't want him. Well, Alice came over with us from the P.O. I laughed in every step he put. We stopped to slide on the walk then when Alice started around the Lowe, I started around too, and then changed my mind & said "I'm going Home". And, I didn't have the sense to invite him to go too. No wonder he felt slighted.

SUNDAY 14

I'll bet you're just aching to know! Business first! Went to P.O. & Church. This P.M. Julia lost my Xmas presents. Gum, a fountain a candy & and the most wonderful box of stationery. 60 to envelopes in it. Three different sizes. It's great! Then — Went up to Hollis and we planned for the party & then had a good time with the boys. Later we played Gentle Lena on banjo. I even played for supper. Then — here's the news. Art and Leo came down downtown with me. Art came all the way and then came back a church time and took me to church & really sat with me and took me home & came in and stayed till 12 o'clock. Isn't this

DECEMBER

MONDAY 15

It's almost zero! Winter for sure! We got plans for a surprise party for Sulu on the way. Money came in fast for a while. We have almost $4.00. I was ashamed to say my lesson in History. I wish I could dicate that stuff well — I'm just looked at me politely at school today, but this eve Sylvia came to the mail he talked for a while. But he was himself, of course, why should he be? He never mentioned the subject I had intended to, but didn't. I'm so glad he didn't get it.

TUESDAY 16

I've got Black Blues! I s'pose it's silly I know, too. But — he's cooler than ever. I wanted so bad to have him meet me at 7:00 P.M. so I'd let he has. But I couldn't get up nerve to ask him to come to Mr. Herman's Clifford. I won't be in peace of mind 'till I've got it settled, this. And tomorrow night the party and H. P. will be there. Oh, gee! Isn't this a horrible worried!!!! Our money fund is about $7. I guess Mr. S. is going to leave Friday. I go to town tomorrow morn. I hope so.

DECEMBER

WEDNESDAY 17

This has been one day every minute lived. It's 1:30 A.M. I'm really, I'm so sleepy I can't see and at 12 tonight it didn't. I'm glad I went to bed at 12 & I'm tired at 3:00. Yet, still, I'm happy and an ivory duck (for) Sulu's present. We did some reading, the part I was — well, it was just — I'm happy! That just led for punch. Oh, gee! Bart's mother — I'm glad I'm not else I'd say Bart, who's more capable. But — I did, tho' we went along with the punch and I'm sure he was with me. He did take me home, or rather he did and in argument.

THURSDAY 18

I've been sorta sleepy all day. There was a Xmas entertainment at the Grade School tonight. I was asked if I'd mind go with a boob but I was going with Sulu. The entertainment was fine! But, oh! how it hurt to see those little boys and girls whom God had always talked about, and see them play the dumb elows that "Little Blossie" and "Jo" which he had told me so often. Dear, dear, the poor! The boob brothers and he was a boob with little brown eyes and his hair parted so. Bart was also there and asked if "he might!" I said "If he wanted to bad enough." He did.

DECEMBER

FRIDAY 19

Lulu stayed with me all night. She's to go at 7:01 tonight and the poor kid cried for the longest time this morning before we got up. It was hard for her to leave. I'll miss her, too. I do hope she'll make many new friends down there so she'll be good to her. Mr. S. told me O. had something up for this morning. That is going to give up the school & take up Y. M. C. A. work Jan. 1. I'm just tickled at his fortune. I'm sorry, though, I'm not for maybe the Board won't accept his resigning. I don't blame him for wanting to take up this work, but — if we'd known it's last fall when he was so enthusiastic about our amusing track, we

SATURDAY 20

I finished my x mas shopping this morn. I guess! I hope! I waited 45 min for a car & was nearly froze. We were rushed to death at the P. O. tonight. Packages galore! And — I went skating tonight. O, how I love it! But my legs were so sore — the ledges in them that I wouldn't skate long. It was fun while I did. He came for me and got me back and — I'm going to get up my wish against his English pretty soon. I must!! His accent!

DECEMBER

SUNDAY 21

This has been a most beautiful day! It's warm and just a'round nice. I was afraid the ice would melt but I guess not, for it's cold this eve again. Mildred was over this P. M. She's surely a gloom chaser as Mum called her. S. was in church tonight but I had posted him and he said he'd be there, and was just as church was out. Wonder what S. thinks. He didn't make any move to see me this eve. He came in and nearly beat S. in record. Gee! This is getting too — often. I had a curious tangling up his — playing the piano and

MONDAY 22

At 11 o'clock this morn Miss Byers sent over a note saying "Can you come over right away I'm swamped!" Well, she surely was. Package upon package & mail galore! We worked hard and fast all day. And still they come! Gee! it's fun, tho'. But I missed a skate this P. M. & didn't this eve, tho'. I went down for oyers an hour. It's wonderful. Brown stayed — was smaller elected before 10 P. M. — he's allotted "getting me time". I got a x mas card from "Just Baity" today.

DECEMBER

TUESDAY 23

Whew! I'm tired tonight. We were busy all day. My! I will be glad when Xmas is over. As far as the work part is concerned Harriet + Mary were in the P.O. talking. (and Marge.). Well — The former two are a match, and I can't — —). Mrs. T. Cortland left Mum + I each a present tonight. Mine's a bottle of perfume I guess. I'm not allowed to open it yet till Xmas.

WEDNESDAY 24

We weren't so busy today. It's colder and is snowing today too. We'll have a white Xmas for sure! Sophia got me a pin and Florence G. — two pins. They're all pretty. Harriet sent me a card that she drew herself with pen + ink. Gee! it's cute! I also got cards from Betty, Mary L., Mrs. Cover, and — guess! Adelbert!! I was surprised! Then — best of all!! I gave me a 1 lb. 10 oz. box of Nolitman's Dimpler Chocolates - Oh! he's such a good sport. I've always wanted to smoke Schmoker's

DECEMBER

THURSDAY 25

Christmas Day! It don't seem to mean the same this year. It naturally couldn't. With no one to wait for Santa. It's so hard. especially for Mother, she's the one who enjoys it most. She's nursing a cold and sniffs — Otherwise we had a merry Christmas! I worked from 9 till 10:30 this morn. Then D. J. called me over! Gee! and told me something and then threw powder all over me. I ran to my room to change about 3:30 P.M. We skated about an hour. It was grand! Then came down and got the most beautiful dinner! Then went to the Home and saw Alice Thomas in Sun. Got chocolate + then again chocolates. O, dear, I've had so much candy. I'm sick.

FRIDAY 26

I didn't get up till 9:30 this morn. Didn't I dread it? Started over to see Ed and he's coming over with my skates. He went down street with me and back then we took Teddy and went down and tried the ice and tried to make a hunter dog of Teddy. But it couldn't be done. Mollie was in this P.M. I had a long time. Gee! I wish I had her chance of going there. Got $2.00 from Daddy this morn. and a box of chocolates from Ralph.

Mildred came home with me tonight and is going to stay awhile. Uncle Chat and Aunt Mary were down and Mildred and I just sat and giggled till we couldn't get on anything.

DECEMBER

SATURDAY 27

Mum got me up at 9 this morn and we went to town on the 9:25 and got back at 2:45 P.M. I got a new dk. blue trieotine dress. I'm not real satisfied with it. It's a bobble. It's angel to walk in. I took Mum down to the W. W. Cafeteria for dinner. We went to see Tom Moore in "Heartease" It was pretty good. Not as good as the one I saw longer ago. Mr. S. came to the door. Was in too much a hurry to come in. I said "Well, what are you going to do?" "Come back" he answered. Well, I knew he would. He's not that kind to leave us. But, it's like he said "I'm losing a great chance, Ethel."

SUNDAY 28

We were up in time to get to S.S. as they were finishing up the lesson. A lecturer by the name of "Sunshine Hawk" was at church. We expected a "sunshine" sermon. He started out good but by the time he had ended half the church were in tears. It was all about death. I could hardly stand it. I didn't get any sunshine out of his sermon. Hugh to come home & play some ragtime to get rid of the blues. We went to the Pres. church to hear "The Prodigal Son" tonight. They valued Mildred & Marie & I out in a front pew in the S.S. room when the whole church could see us

and Mildred & I were just dying to cough. I'd what a time

Smith's efforts at clerical penmanship would be if he attempted it in coming back.

Mildred went down to Grandma's today and I rather guess without her this was a circus.

I got a fat and interesting from Lulu. She likes it, it seems.

DECEMBER

MONDAY 29

Mary S came in and invited me to go on a skating party next Sat. eve. to Glacier.

Mildred & I slept peacefully till 10 o'clock this morn. Then got up and giggled and ate "X mas candy" especially peppermint candy all morning. For our stomachs. And afternoon, too. We went to Bell's for crackers for some of the people we had spent to meet. So as we came out of the house, a lead company over. I'll be some people would never think of recording that. Isn't I funny? Oh, and I not? Ho and hi.

TUESDAY 30

2:30 P.M.

I went to town for a little while this morn. Long enough to spend $3.00 of my hard earned money. I got an invitation to a New Year's Party at George Bishop's tomorrow evening.

8:30 P.M.

I've the horriblest news to tell you. Maybe—just little maybe I'm going to move to town. That would be fine — for him. Whatever is this town coming to, I guess I must lose all my friends. He asked me about tomorrow night and Sat. night. That makes every night filled. Sat. Thurs. & Fri. Mum! Guess I'll accept all the invites. O, how I hate to refuse any—specially if he is going to leave soon.

The League are planning a Carnival Sat. Dec. 27th eve. I'm in charge of the sweets. I'll have to bake them for the sick.

DECEMBER

WEDNESDAY 31

This old 1919 has surely ended up delightfully for me. How did I usher out the old and usher in the new? — Hold your breath! By — two-stepping with Ivan!! Yes, honest! That's all we did at the party at Bishop's. Just dance! And I learned how enough to dance with anyone who asked me. And I was blessed by being asked by them all — Ivan, George (he's a fiend for a dance) Dick, Clifford, Fitch, and Mr. Bishop. And me only a beginner! I got on to it pretty well! And I love it! Oh, it's great! — The lunch was ice cream, cakes, punch, and marshmallows toasted over a dear little red candle in a dear little candlestick. It was all so beautiful, and I had such a lovely time.

~~There's many more such delightful times in the future~~

Hangover sometime between noon and the 9th of Jan.

Rev. Wells two objectives for S.S. teachers.

1. "Put the Christ character into the growing child."

2. Higher & beyond that is:

"Train that boy or girl so that he will be so inspired as to want to impart that Christ spirit into the next generation."

"We must have that character ourselves before we can give or train others with it."

"Have put his hand in God's and then he evolves to help him improve that with God has created by himself."

FIRST AID TO THE INJURED.

Antiseptic Treatment. Any person who gives first aid to the wounded should take every precaution possible by thoroughly cleansing his hands and nails. He should then cleanse the wounds with some antiseptic. The simplest and most easily procured is salt and water. Put a handful of salt in a quart of water and use freely. After the wound is cleansed, it must then be protected from new germs by some covering made germ-free by baking, boiling or even ironing with a hot flatiron.

Important. Never try to give anyone who is unconscious anything to drink as it may choke him.

Freezing. If the extremities are frost bitten, do not go into a warm room. Rub the parts vigorously with snow or water, gradually warming as the frost is driven out. Apply ointment liberally. If the entire body is badly chilled, warmth is absolutely necessary to overcome the depression which will follow. Place in a warm bath, increase the heat until it is as hot as can be borne. Hot tea or coffee and moderate quantities of alcoholic stimulants should be given.

Heat Exhaustion. The skin becomes cold and clammy. This should be treated with plenty of fresh air but no cold applications. Give strong coffee or teaspoonful of whiskey in wineglass of water.

For treatment of Sunstroke see "Help in Case of Accidents."

Suffocation by Gas. Remove victim into the air. Perform artificial respiration as in case of drowning. Send for physician immediately. As oxygen is absolutely necessary try to get patient to hospital without delay.

Suffocation by Smoke. Take victim into the air. Perform artificial respiration as in the case of drowning. Give alcoholic stimulants.

Shock. Accidents, all severe injuries of fright may cause what is known as "shock". Keep head low. Wrap in hot, dry blankets. Apply hot water bottles or hot plates to abdomen and extremities. Apply no heat to head.
