Dear Uncle Tuck & Brother Don,
You almost didn't get this letter, I happened to lay it down a second & Tuck made one dive for it. It's the only one I have too. He wants to eat everything from paper to do up. I guess he thinks everything is to be eaten. What a letdown he's in for, huh?

He just got two more teeth today so he really thinks he's boss now. His "baby runs mother" from now on, I'm afraid. He makes more noise than all six of us use to. Just jitters all day long. That is when he's not yelling.

Marcie's getting some keepsakes of herself so has promised to give me one to send you. She's really upset.

2/ She's just 17 so has another year in school yet. The girls put her back after though. I'll get a picture of Doris too. You're in the wrong part of the country - all the sheep checks are at 3/8 w Adams in L.A. I don't include myself so don't think I'm being con cuted.

Don't you like the way I stamp letters? There's not much you can do about it if you write to the President. Stamps upside down mean something real nice so if your girlfriend doesn't put them that way I'll divorce her.

So you liked the pictures of Jack. He really showed off in them, didn't he? I think he knew he was the whole show.

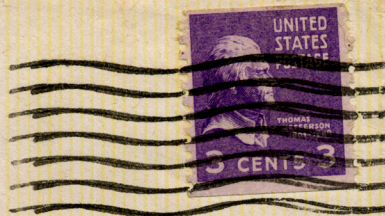

3) We've had our car in the garage for over a week so all fixed done is sit at home. We took Frank for a walk one night but he wouldn't keep his hat on so we can't take again. Dad taught him to take off his hat when we were home & now he won't keep one on for love nor money. He's so funny. As soon as I put it on he takes it off & then looks up & laughs. He's going to be a problem child.

You are all you-all Texans? Davis is from Corpus Christi & went to the University of Texas one year. She's 18 now.

My man thinks I've written enough so I guess I'll have to give them some attention now.

See 'til next time. Got any pictures of yourself. I know a couple girls who would like some.
Love, Betty

next time. There's two sick chicks.
Mon P.M.
Dear Aunt Quill.

Before I forget, some day
when you've got about 2 hours to
spare, how about writing & telling
me what those chicken marks on
your address mean. I never saw
such an address in all my life.
It looks like some kind of secret
code — guess it is. Anyway, I'll
as though there's an easier way
to get a letter to a person. You
can tell your C.O. I said so, too.

Thanks for the beautiful picture
of your barracks by wife & the
guys who had to sleep in
all of them. Looks like football
material. I showed the pic to Hank
& told him I expected him to be
big like that when he's 19. That's
the only way I got him to eat
his spinach. You should see

2/ Mary & Doris showed over your pictures. They're planning to take the next plane to Texas.

Frank is giving me a bad time right now. He wanted to chew his blanket up & I wouldn't let him so he's mad. This morning I had him pad to his playpen outside airing it & had put him on a blanket & when I looked at him two minutes later he had the blanket all in a ball & was pulling those buttons or whatever they are that hold a mattress together. He had pulled about 3 out & when I spanked him for it he thought I was being unjust. He's going to be a diffusive soul at the rate he's going. Last night Bunk was giving him some milk

I grab his cup & he'd take a
mouthful & then spit it right
in my face. Everyone within
50 ft. got splattered. His first
downright spailed. Every time
I get him on the floor he
heads for balls (the blind, you
know) & after he gets on his
feet a couple times he goes to
Bakery & then to the Bathroom.
I should enter him in a crawling
contest cause he really flops. He
usually gets my slippers &
slides off it.

I've been going to a skin
specialist for my epidermis & he
gave me three shots (you
know where) last Saturday &
I never thought I'd be able
to sit down for a meal again.

4 He really gave me the work.
Now I'll be scared to go back.
It's a lot better though.

These who think I am
going to see - Ohio State. They
play U.S.C. Oct. 5. we're trying
all mad to get tickets. And
you just hear me yelling my
head off for just old Ohio.
I'll probably get kicked out
before the game starts. Does
Dick Fisher still play? I sure
wish you were there.

I'd better get some chow
for lunch - anywhere. I'm
running out of ink -

Say no. Thanks for the
old afternoon stuff. Love,
Betty.

Dear Don,

I will try and scribble off a few lines to you before I go to bed. I was very glad to hear from you. - I imagine this blonde - as she called Sam will wonder if he is ever going to hear from me. - Tell him the Darg is busy but will write tomorrow.

I am playing with John Phelan but I was mistaken about Jim F. He is still at O.S.U. It is Mike Keane but I won't get to play against him. He is with the 2nd Out and they won last week 3-0. We have won both of ours 26-6 - & 52-0. This week we go to Phafis to play a semi-pro outfit from Longueville. They are supposed to be pretty good. I will let you know how we make out. -

I wasn't sure I would go

back to O.S.U. but I am going to
give it a try. I see in the paper
where Jimmy Crane is playing
first string end in scrimmage. I sure
hope he makes good. -

Well Don I am going to have
to close as I have to get up at 3:30
and go out on this 1000
rifle range. - I sure wish they
would kick our tail out of the
army. - Will write again soon til
then be careful and N.P.M.V.D. - Ha!
Tell Sam that!! ~~1-1-1~~ ...

Your Buddy,
Jack

Dear Don:

I have meant to write to you for a long time but found it easier to put it off. You see I have no wife to prod me. With your whole family out of school I may be able to give you some school news that you will otherwise miss.

We have seven teachers that were not here last year. Mrs. Hankinson and Mr. McDonald resigned to go into other work. Miss McDermott got married. Our industrial arts man left and we have a much better one. Mrs. Welder's husband returned from the service so she quit. Miss Magua was not asked to return. That means that familiar faces to you are not too many. Jack Allen is president of the Student Council and it looks as if we have a live group. They are already selling Bull Dog pencils and sponsoring Youth nights. As I am teaching but one class I hope to give that work

more time and thought.

Football has good prospects in spite of two real trimmings at the hands of the too experienced Columbiana and Fitch teams. Fitch stays just under the Class A border. We have beaten Springfield and should take Canfield, Goshen, and Lowellville. We should get at least one out of Newton Falls, McDonald, and East Palestine. Beating Springfield & Lowellville will make a "Big Day" successful season to me. "Big Day" was the Friday before the Springfield game. That is an honor you richly deserve. I wish you might have heard Cliff Richard tell what "Big Day" stands for.

I expect to see the Ohio - Purdue game again this year.

I shall always be glad to hear from you.

Sincerely
G. W. Barton

Just. eve.
Last day of Sept.
And cold as in
winter.

Dear Buck,

I found this laying around so I'll
just use it for writing paper & save
myself 3/16 of a penny or some such
expense.

Say, it's been a week tomorrow since
we heard from you - now, I won't complain
if you're busy or some such legitimate
excuse but - if I hear you've been writing
to some damn other and neglecting
"Mable", you'll sure hear from that
said person - but fast & what I won't
tell you! It's just that you've got us
spoiled expecting a letter every 3rd day
or so & I know it takes a lot of your
time so if I get one tomorrow I'll
pay no more but if I don't - - - - -!

Betty's let down on her "3 a week or
more" too so we're not doing so well
these days. But I tell you she'd gone
to a skin specialist finally? He's giving
her X-ray treatments, medicine, salve,
and the second visit he gave her 3 shots
so she says she knows what you
went thru now. She goes once a week.
She wanted to take Hank to see Q.S.
play U.C. Hg next Sat. as if he knew
all about football.

Dave broken down & pledged a fraternity
Chi Phi. The house is in Indianapolis he
says & a lot of young. boys belong.
including Cy Sommerlad & John Perkins.
Also Goodballet's brother Joe - Art & Bob
Gabel of y. Dave knows Art. So -
he'll have a good time. I'll bet. I
wonder if I have a picture of that
house in my home coming day pic.
Goodballet's father died last Thurs.
Did you know the girls got Bybee
Hall after all? Dave says there's
more women down there than he
figured were in the state of Ohio.
Oh! oh!

Mr. Barton called for your address
last night. Maybe he's going to
write to you.

Bill Meim hit the States yesterday.
Did I tell you there's a Buick
Convertible waiting at home for
him? Gene says how come we
didn't have one of those waiting
for him? Reasons - reasons
beyond our control!

Well, guess that's all the news
from this point at this time
So - Keep smiling, etcetera
etcetera, Lotsa love Mom.
